THE INDUSTRY'S BEST WARRANTY

Every Dutchmen RV comes with our all-new 3-year limited structural warranty. Dutchmen owners can expect an entire extra year of protection and peace of mind.

# MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it "bang for the buck," "more for your money," or simply "more value." **We've built a reputation for bringing RV owners more standard features for less money** for more than 25 years... and it's a reputation we plan to keep.

At Dutchmen, quality is our standard. **Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection.** Typically, a competitor performs random inspections, meaning you won't find this commitment to quality anywhere else.

More than 300 Dutchmen dealers across North America and our industry-leading service center in Goshen, Indiana, combine for your peace of mind before, during and after the sale. Rest assured no matter where your travels take you, **the best-resourced RV manufacturing company in the world is behind you all the way.**
