EXPERIENCE STYLE THAT'S OFF THE GRID

29HFX/102" WIDE BODY TRAVEL TRAILER Head out for adventure and expand your horizons with the all new Hyper Lite HFX wide body models. All 102" Wide Body models feature an impressive 8' ramp door for easy garage access, and can accommodate a 4 seat, side-by-side. This integrated living room/galley slide expands for true open concept living.

HYPER LITE

Versatile Hyper Lite Travel Trailers offer growing families and outdoor adventurers the perfect home base for a fun get away. Hyper Lite is heavy on quality – light on weight, and constructed with vacuum-bonded, aluminum-framed sidewalls, a fiberglass exterior, heavy duty steel chassis and a full walk-on roof.

29HFX Hyper Lite has packed a ton of style, plus industry leading storage into this L-shaped galley slide out. The stainless steel, single bowl farm sink with a high-rise faucet, makes cleaning large pots and pans a breeze.

29HFX This Jack and Jill bathroom offers convenient two door access, from both the galley and master bedroom. 29HFX features an extra large, king size corner radius shower and generous linen storage.

LASTING COMFORT AND VERSATILITY

Hyper Lite 30HFX wide body's king size radius showers is large on luxury.

30HFX/102" WIDE BODY TRAVEL TRAILER

After a day in the great outdoors, Hyper Lite HFX wide body models offer a comfortable place to stretch out and relax with friends and family.

EXPAND YOUR HORIZONS WITH HYPER LITE TRAVEL TRAILERS

HOME STYLE CONVENIENCE

30HDS/96" WIDE TRAVEL TRAILER

Opposing slides maximize living space in this modern, storage friendly kitchen. Contemporary appliances, a convection microwave oven below the cooktop, and LED accent lights add to the family-friendly convenience and styling. This well-equipped kitchen and living area features Shaker style cabinetry and durable Beauflor® flooring. After a long day of riding, everyone can kick back and experience a superior level of comfort with the optional three recliner sofa with heat and massage, blue LED accent lighting and handy cup holders. Shown with an optional 32" LED TV.

HYPER LITE

This impressive sofa/dinette is standard in the **29HFS** and **30HDS** models.

A three-recliner sofa with heat, massage and blue LED lighting is an available option on the **29HFS** and **30HDS**.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
