FREEDOM *Express*

Freedom to Choose

Escape from everyday life with Freedom Express Ultra Lite laminated travel trailers. These ultra lites are value-packed with industry leading features, and are designed for towing with today's popular half-ton pick-up trucks and SUVs. All models are built with durable, lightweight Azdel composite panels that withstand rot, mold and water damage for years of worry-free use. By constantly innovating, Freedom Express has repeatedly won the prestigious DSI Award.

Explore our selection for the ultimate in safety and reliability:

Liberty and Maple Leaf Editions - include high end amenities usually reserved for travel trailers and fifth wheels costing thousands more.

Freedom Express Ultra Lites - Packed with industry leading features

Pilots - Single axle towables, loaded with amenities

Blast Toy Haulers* - Versatile half-ton towables for active lifestyles

Select* - Value added light weights

*For more information on Blast Toy Haulers and the Select Series, see separate two page literature.

Construction Features

Stable-Ryd® Suspension

- Spread axle improves weight distribution.
- Wide track axles provide a wider, more secure stance on the road.
- Spread axle design allows us to reduce the tongue weight for optimum performance.
- Spread axle design reduces sway caused by crosswinds.

Lightweight

- Laminated sidewalls and floor
- Azdel behind the fiberglass
- Bow trusses aluminum and wood
- Rod and angle crossmembers in frame
- All tanks mounted under floor to lower center of gravity and improve interior storage.

Aerodynamic

- Aerodynamic front profile (Cuts through the air)
- Enclosed underbelly reduces turbulence/drag. (Select models)

Liberty and Maple Leaf Editions feature a Gel Coat Fiberglass cap.

1. 3M breathable graphics
2. Tinted, safety glass windows
3. Crowned trusses
4. Aluminum reinforced with 3/8" roof decking
5. EPDM bright white rubber roofing
6. Azdel composite panels
7. Aerodynamic front profile
8. Dual 20 lb. LP gas tanks
9. Welded aluminum structure, vacuum-bonded sidewalls and flooring
10. Smooth exterior fiberglass skin
11. Aluminum framed openings
12. Fully enclosed, heated underbelly
13. Fully welded tubular aluminum floor structure
14. Happijac SureTrac™, rack and pinion, and Schwintek slide systems
15. Congoleum Designer Carefree Resilient Flooring
16. Powder E-coated, welded I-beam frame
17. Super-Lube® axle hubs
18. Stable-Ryd® spread axle design (25' and above)
19. Nitrogen filled radial tires

Lightweight Towability and Enhanced Aerodynamics

Freedom Express Ultra-Light travel trailers are ideal for half-ton tow vehicles and optimized fuel efficiency. Designed with fully laminated, aluminum framed walls and floor, these travel trailers are incredibly lightweight and durable.

*VALID FOR 1 YEAR FROM DATE OF PURCHASE

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. ©2018 Freedom Express by Coachmen, a Division of Forest River, Inc., a Berkshire Hathaway company.
