- Towel Rack
- Window in Commode Area
- Porcelain Macerator Toilet

Miscellaneous

- Interior Door Grab Handle - Electric Step
- Air Compressor w/Air-Hose

WE BUILD
YOUR DREAM

At NeXus RV, we believe in manufacturing a superior built motor home. Our brands — the Bentley Class A Diesel Pusher Motor home, the Evoque Class A Diesel, the Maybach Class A Gas Motor home, the Phantom Class C Motor home, the Wrath Super C Diesel Motor home, the Ghost Super C Diesel Motor home, and the Viper Class B+ Motor home — are known in the industry for exclusive manufacturing philosophies, which begin with our strong foundation of high strength low alloy 20-gauge steel framing.

We also believe there is an RV for everyone. Our company's principles reflect those of many privately held family owned companies that made the RV industry what it is today. We do what the customers and dealerships want, not what the stock market or shareholders suggest, as we are not a large publicly traded company. We are real people building RVs for real people.

Inspiration for your next destination.

Inside the NeXus RV EvoQue Diesel Pusher you will find your essentials comfortably at hand, combined with modern style, impeccable engineering and value. Our units are built on the strong foundation of quality and craftsmanship to ensure your passion for adventure.

DRIVE THE DIFFERENCE

You expect more, we deliver more. At NeXus RV we know your standards are high, and we strive not to meet but exceed your expectations. From the ground up the all-new Evoque is designed to bring you complete comfort on the road. We proudly utilize only the finest components and building processes in the industry as a sign of our dedication to your satisfaction.

- Freightliner XCR-Raised Rail Chassis
- VRIDE Rear Suspension System
