All Warranties are not created equal.

See why ours stand the test. At Vanleigh, building a quality coach is our primary focus. Our warranty reflects our confidence in the construction of our unit. From the beginning phases of production we have pressurized water on our units. Throughout our production process we run systems checks on every component in the RV. Once your RV is completed it is taken outside to our onsite campground where it is hooked up to full services and put through an additional PDI inspection. We are proud to offer this accountability to our customers along with the following basic limited warranties:

**3 Year Construction Warranty:**

The structure of the welded frame of the RV is warranted for 3 years (36 months)

**1 Year Base Limited Warranty:**

Your coach has a limited warranty against defects in materials and workmanship for 12 months of ownership

**Ongoing Owner Support**

Vanleigh is proud to offer exceptional customer support. E-mail us at [customercare@vanleighrv.com](mailto:customercare@vanleighrv.com) or call us at 662-612-4040. We build our units with tested and proven components. Many of these components carry their own respective warranties. Please see owner's manual for the warranties of components.
