HOLIDAY RAMBLER

The Resort Favorite

Perfect for those who want to live the high life without roughing it along the way, the 2020 Vacationer is the go-to Class A Gas. Across five floorplans, you'll find everything you need to setup shop at the nearest resort, including tons of storage and livable space. There's also an upgraded WiFiRanger™ to boost your WiFi connectivity, a residential refrigerator with 2000w Pure Sine Inverter, and a 100w Solar Electric Panel that reduces your reliance on resort amenities.

Yet, even before you reach your destination, the Vacationer brings plenty of standards to keep you safer on the road like, an automotive-inspired cockpit with dual monitors, an upgraded collision mitigation system, and mirrors with blind spot detection technology. Meanwhile, the Energy Management System will help you reduce unnecessary power consumption along the way.

And since you're looking to expand your surroundings, the Vacationer features a legless power patio awning and exterior 40" TV. Want to really stretch your space? You have options with an interior Hide-A-Loft™ drop-down queen bed or our exclusive Extended Living Edition—a fold-down patio addition. And to prove that we've thought of it all, we've even integrated a CPAP station in the bedroom overhead for travelers who require it.

VACATIONER 35P
TUNGSTEN GRAPHICS

THE VACATIONER CHASSIS

The Vacationer chassis puts strength, stability, and reliability front and center. Perfect for trips requiring large carrying capacities, and built to store everything you need with pass-through storage. The Vacationer is built on the ideal chassis for optimum balance and control on Holiday Rambler gas motorhomes.

Chassis Warranty provided by Ford®

VACATIONER FLOORPLANS

The 2020 Vacationer model offers five super versatile floorplans carefully designed, that offer tons of storage and endless livable space. Vacationer is a full-scale luxury gas Class A motorhome with all the amenities of home including residential appliances like a Dometic three burner drop in stove, french door refrigerator/freezer with 2000w Pure Sine Inverter and microwave oven.

All floorplans offer a fireplace with a 40" LED TV including swivel TV bracket allowing a great view from any seat. The 36F and 36FP floorplans offer bunk beds with privacy doors. The bunk beds are multi-purpose and can convert into a wardrobe or a seating area for electronic gaming with a well thought-out 24" LED TV located directly across from the seating area.

The 36FP floorplan allows you to enjoy the outdoors from the comfort of your Vacationer. This snap-in patio unit extends your living space. Easy to set-up and provides 71" x 74" extension of entertaining patio space including an entertainment center with a 40" LED exterior TV and Bluetooth® soundbar. An easily accessible lavy is conveniently located off the patio so guest will not have to enter the master living area. An exterior kitchenette featuring a microwave and refrigerator is sure to streamline outdoor entertaining. The 36FP is ideal for visits to the race track, tailgate parties, and perfect for romantic evenings, relaxing mornings alongside the sunrise. You'll be a crowd pleaser!

VACATIONER TOP FEATURES

RENEWABLE SAFE POWER
Each Vacationer comes standard with 100w roof solar panel. You may upgrade to a 265w solar panel.

WIFI RANGER™ SKY4 DC (STANDARD)
Boost a weak signal to get online in no time with this private secure Wi-Fi booster.

WIFI RANGER™ SKY4 PROPACK w/LTE (UPGRADE)
Upgrade to this cellular internet modem that includes a cell booster and GPS upgrade.

BONDED WINDSHIELD
Feel safer with this automotive style curved bonded windshield. This automotive inspired design bonds the windshield along the entire perimeter of the glass. This increases the structural strength and also reduces the risk of stress cracks.

EXCEPTIONAL PATENTED ELEMENTS OF CONSTRUCTION
Exclusive wall-joint system seamlessly locks the walls, floor and roof together while our vacu-bonding process strengthens walls, floors and ceilings.

BLIND SPOT DETECTION (UPGRADE)
Ensure smart, safe driving with Velvac® blind-spot upgraded mirrors for your Vacationer. A safety feature, where a light will illuminate on the side mirror if an object is in the blind spot ensuring safe travels.

KENWOOD® COLLISION MITIGATION (UPGRADE)
Kenwood Collision Mitigation System offers forward collision warning, lane departure warning, headway monitoring, pedestrian and bicycle collision warning, and speed limit indication.

CPAP MACHINE STORAGE (STANDARD)
Sleep like a baby while logging miles! Your Vacationer has a designated storage area for your CPAP machine above the masterbed where you can conveniently access and use your machine just like the doctor ordered.

50 AMP ENERGY MANAGEMENT SYSTEM
Protect your Vacationer against expensive electrical damage and enjoy the convenience of an auto generator start to charge batteries when they need some juice. Set your EMS system and return from dinner to a temperature controlled home.

SUMOSPRINGS® CHASSIS STABILIZER SYSTEM (FRONT & REAR, UPGRADE)

Are a patented suspension product designed to enhance load carrying capacity, stabilize sway, and improve overall driver control and ride comfort. Maintenance-free, do not leak air, and do not require airlines/compressors. Reduces vibration, wear and tear which affects the tires, suspension, brakes, furniture, hinges and more! SumoSprings are an upgrade that reduces ownership costs by decreasing overall wear and tear, increasing the life of each component of your Holiday Rambler. This increase means reduced costs on maintenance and replacement parts resulting in a lower total cost of ownership.

BILSTEIN® STEERING STABILIZER SYSTEM (STANDARD)
Every Vacationer is standard equipped with this shock absorber system that dampens the bumps and vibrations of the road in the steering system. Bilstein allows for easier control to the front-end steering.

HIDE-A-LOFT™ DROP DOWN QUEEN BED (UPGRADE)

Optional in a Vacationer is a Hide-A-Loft drop down queen sized bed including mattress and a 24" LED TV. The additional sleep quarters has 500lb capacity and industry leading headroom.

DISCLAIMER

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity*.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Holiday Rambler and chassis manufacturer's manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Excludes safety equipment and awnings.
6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

* The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

* UVW and OCCC are found on the label containing the federal certification tag in each RV.

** The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.

** Seatbelts and locations are shown in the brochure for display purposes only. Actual numbers and locations will vary by model.

*** All 2020 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.
