ROCKWOOD

# FREEDOM

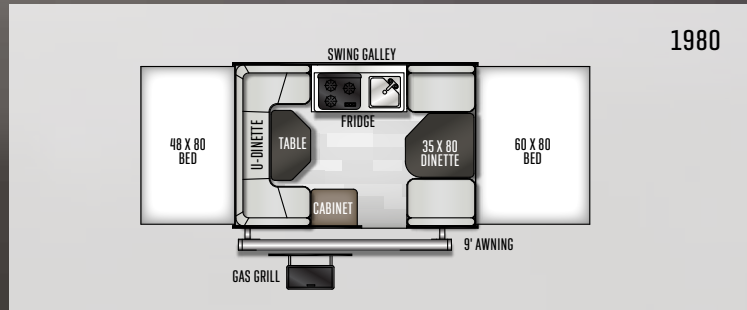

2514F

**MAKING YOUR INVESTMENT GO A LONG WAY.** Rockwood takes pride in packing the most value possible into our Freedom series. Finding the perfect fit for the specific needs of your active family is made easier by the wide variety of floor plans available. While each model comes standard with many features, you still have flexibility to incorporate as many options as you choose to fit your camping preferences.

ROCKWOOD

# HARD SIDE & HARD SIDE HIGH WALL

## A223HW

**QUITE POSSIBLY THE BEST OF BOTH WORLDS.** When you combine the solid exterior of a travel trailer with a tent camper, you get the Rockwood Hard Side Series, giving your camping experience the best of both worlds. Bringing a smooth fiberglass vacuum bonded exterior with a quick, easy set up, while retaining the towing and storage advantages of a tent camper, the Hard Side camper is the perfect blend.

## HARD SIDE HIGH WALL MODEL FEATURES

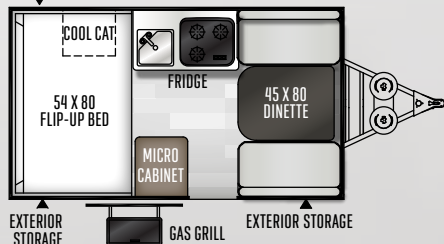

**A Hard Side & Hard Side High Wall Awning & Screen Room option.**  
(Shown on A122S.)

**B Molded LP Bottle Covers**  
(Std. Hard Side & Hard Side High Wall)

**C Gas Strut Lift Assist**  
(Std. Hard Side Models w/ Manual Lift Roof Only)

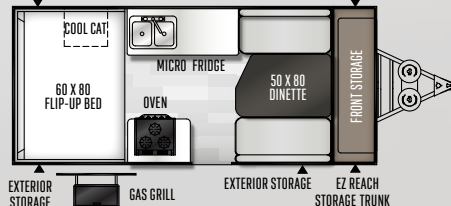

**D Power Roof Lift Assist**  
(Hard Side High Wall only)

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

### Specification Definitions

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\* Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

## Rockwood Warranty. Our Promise.

**FOR DETAILS ON ROCKWOOD'S COMPLETE WARRANTY PROGRAM, SEE YOUR ROCKWOOD DEALER.** When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty [Excludes Hard Sides].
2. Twenty-five-year floor warranty.
3. Five-year frame warranty.
4. Five-year tent warranty.
5. Ten-year torsion axle warranty.
6. Limited lifetime warranty of lifter system [Excludes Hard Sides].
