GET YOUR SECOND WIND.

If you want a great RV with a contemporary look and luxe feel, then Southwind is the perfect fit. Beautiful decorative elements include glass cabinet inserts, residential Tarkett® flooring, a full galley backsplash, undercarriage lighting and an exterior stainless steel accent package. But it's not all about looks. Southwind also boasts fog lamps, two roof-mounted a/c units, an induction cooktop and a 40-inch exterior TV.

For 2020, we added solid surface tops to the living area, redesigned the fireplace wall and ceiling treatment, and removed as much carpet as possible—even in the slideouts.

If style is your middle name, then Southwind should be your RV.

**WE'LL BRING THE POWER,
YOU BRING THE PEOPLE.**

**POWER
PLATFORM**

The Power Platform Chassis™

The Power Platform puts strength, stability, and reliability front and center. Perfect for trips requiring large carrying capacities, and built to store everything you need with spacious pass-through storage, the Power Platform is the ideal chassis for optimum balance and control — Found on Fleetwood gas motorhomes.

Every new adventure requires a solid foundation. The Power Platform chassis is designed with balance, control, a smooth ride, and ample space in mind, all working together to give you a ride like no other RV can provide.

RV OWNERCARE

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge.

Chassis Warranty provided by Ford®

FLEETWOOD RV

**We build strength
and quality from the
inside out.**

Fleetwood's exclusive Powerlock™ system is integrated into all Fleetwood RV Class A Gas models.

At Fleetwood, we don't settle for anything less than the best and neither should you. That is why every Fleetwood features industry-leading materials and construction standards.

- 1 PowerLock System™ Interlocking Floors, Walls, Ceiling**
Fleetwood's interlocking aluminum extrusion wall-joint system integrates floor, sidewall and roof assembly into one locked-together overall structure for long-term performance and durability.
- 2 Precision Welded Joints**
The all aluminum hull structure is engineered and built to precise tolerances and then precision welded to ensure strength and durability on even the roughest road trip.

At Fleetwood RV, it's not just what you see that matters. It's what you don't.

- 3 Tuff-Coat Fiberglass Walls**
Thicker than other manufacturers, our Tuff-Coat fiberglass walls provide a durable skin and is the perfect surface for an automotive style finish.
- 4 Thick Robust Floor**
Thicker than the industry standard, Fleetwood engineered the 1" thick floor for more sound deadening and more insulation which results in a quieter, more comfortable ride no matter the weather or terrain outside.
- 5 Solid Bead-Foam Insulation™**
Fleetwood's above-standard insulation material and process doesn't allow settling or air gaps to form. There is no forcing the precision cut insulation into position like the roll-type pink fiberglass insulation used by other manufacturers.
- 6 Loctite® Industrial Adhesive**
Engineered to meet bonding, sealing and assembly requirements for a durable structure with no de-lamination.
- 7 No Wood Substrate**
Unlike most Class A motorhome manufacturers, you won't find any wood substrate on the exterior walls.
- 8 1/2" Plywood Subfloor**
Thicker than most competitors who use OSB or chip board, the integrated 1/2" subfloor provides a solid surface for flooring and eliminates movement and flexing while traveling.
- 9 Vacu-Bond™ Construction**
Fully sealed and weather-resistant, the vacuum-bonded assemblies combine materials and construction for a straight, solid integrated wall that is better suited to withstand the rigors of the road. An adhesive bonding process applies up to 415,000 pounds of vacuum pressure to the welded-aluminum sidewall frame, bead-foam insulation, thick Tuff-Coat fiberglass skin and inner wall materials, far exceeding industry standards.
- 10 CNC Precision Routed Walls and Floors**
Computer driven routers precisely route walls and floors to fit exact specifications to eliminate gaps, misalignments and provide for a more solid integrated overall structure.

Each of these advantages have been engineered to deliver superior reliability, durability and most of all, customer satisfaction.

RENEWABLE SAFE POWER
Save money on electricity with a 100w or optional 265w solar panel that allows you to explore untethered.

WiFi RANGER™ SKY4 DC
Boost a weak signal to get online in no time with this private secure WiFi booster.

WiFi RANGER™ SKY4 PROPACK w/LTE
Upgrade to this cellular internet modem that includes a cell booster and GPS upgrade.

HIDE-A-LOFT™ DROP DOWN BED
Invite more guests on your road trip without compromising space with this queen bed, featuring industry-leading headroom and up to 500lb capacity.

CPAP READY
This convenient storage solution is specifically designed to organize and conceal CPAP machines while allowing for easy access and opening for hoses.

AUTOMOTIVE-STYLE COCKPIT
Drive in comfort and ease in this automotive inspired designed dash and cockpit with dual monitors, drivers seat with reclining back, swivel and 6-way power controls. Steering wheel with tilt column, electric cruise control and Kenwood® stereo with bluetooth®.

DUAL A/C UNITS WITH HEAT PUMP
Stay cool on hot days and warm on cool days for less with two 15K BTU high-efficiency units.

UPGRADED REAR SUSPENSION
SumoSprings® are designed to enhance load carrying ability, stabilize sway, and improve overall driver control and ride comfort. SumoSprings are a load support product that can be used in the front or rear of your vehicle to provide additional load support while preventing common issues like sagging and bottoming out.

OUR VERY OWN FLEETWOOD RV MOTORHOME SERVICE CENTERS

At Fleetwood RV, we strive to deliver peace-of-mind at every turn. Our devotion to customer service starts with our trusted dealer network and spans to our own staff of motorhome service professionals at REV Recreation Group's regional technical centers. The motorhome service centers are strategically located throughout the United States to provide you convenient service wherever the road takes you.

Below, you'll find the closest motorhome service center, as well as a list of the other centers. Please visit www.fleetwoodrv.com/motorhome-service-centers to schedule a Service Appointment.

East Coast
REV Technical Center
800-509-3417

West Coast

FORD® CHASSIS
 Model: Ford®
 Engine: 6.8L Triton V10
 Transmission: Ford® 6-Speed, Automatic w/Overdrive
 Alternator: 175 Amp
 Torque: 460 lb.-ft. @ 3,000 RPM
 Horsepower: 320HP @ 3,900 RPM

DISCLAIMERS
 1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity.
 2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
 4. Length measured from front bumper to rear bumper (excludes accessories).
 5. Excludes safety equipment and awnings.
 6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
 † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
 * UVW and OCCC are found on the label containing the federal certification tag in each RV.
 ** Seatbelts and locations are shown in the brochure for display purposes only. Actual numbers and locations will vary by model.
 *** All 2020 REV Recreation Group motorhomes include a limited one year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

FLEETWOOD MOTORHOME ASSOCIATION
 As a Fleetwood RV owner, you're invited to become a member of the Fleetwood Motorhome Association (FMA). Becoming a member is the perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Visit the FMA website at www.fma4fun.org to learn more and join the fun.

CONTACT US
 To locate a dealer near you, visit our website at www.fleetwoodrv.com or call 1-800-322-8216. We can also be contacted at Fleetwood RV Customer Relations, P.O. Box 1007, Decatur, IN 46733.

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood RV dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood RV has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

YOUR LOCAL DEALER

Fleetwood RV is part of REV Recreation Group, a division of REV Group, Inc., a family of 29 industry-leading motor vehicle brands. At REV Group, we innovate, design and build products that connect and protect thousands of people every day—our trusted vehicles are engineered with the utmost rigor and precision to deliver the highest levels of performance, reliability, durability and safety.
