

TUSCANY®

YOU KNOW THEY'RE GOING TO STARE.
AFTER ALL, IT IS A TUSCANY®. FROM
LUXURY TO TECHNOLOGY, THIS IS
EVERYTHING YOU COULD EVER
WANT IN A MOTORHOME.

Made to fit.

TUSCANY®

This didn't happen by accident.

You're here because it feels right.

This is where you want to be, where you deserve to be. The 2020 Tuscany® from Thor Motor Coach. Built by hand as the leader in comfort, performance, and luxury to full fill the desires of those who require the best.

SHADOW MOUNTAIN

WATERFRONT

- A | FULL-BODY PAINT**
A striking exterior graphics design provides a jaw-dropping experience. The paint process includes alternating layers of paint with sanding in between to provide a glass-like exterior finish.
- B | WHISPER QUIET AIR CONDITIONING**
Specialized air conditioning system designed to provide maximum cooling. The multiple air returns help move air more efficiently, while the integration with the roof air conditioners reduces interior fan noise.
- C | POWER PATIO AWNING WITH INTEGRATED LED LIGHTING**
A legless, lateral arm awning is fully encased in a metal box protecting it during driving. When extended, the awning does not have legs intruding into the camp area and it has the ability to self-retract in windy situations.
- D | HEATED BASEMENT**
The Aqua-Hot™ Hydronic Furnace & Water Heating System has individual heat exchangers in the basement to keep it toasty warm. An automatic thermostat kicks the heat on when the temperature outside dips too low.
- E | KEYLESS ENTRY SYSTEM**
The front door and storage compartments can be locked with just a push of a button on the remote key fob. The basement doors also have a secondary switch to lock all the doors from the interior of the coach.
- F | WIDE ENTRY**
An extra-large entry door provides easy entry, especially when carrying large items like groceries.
- G | LED ACCENT LIGHTING**
A beautifully sculpted front cap is fully illuminated with LED accents, including the Tuscany nameplate and accompanying driving lights.
