

B TOURING CRUISER

BY GULF STREAM®

**GO ANYWHERE
SEE EVERYTHING**

Subtle but stylish graphics of the BT Cruiser, shown here on the 5210.

Handy central control panel for power and utility systems.

State-of-the-art entertainment with a 40 inch HDTV, with unique handcrafted storage cabinets.

Everything looks better from the cab of a BT Cruiser.

Combine your love of the great outdoors with your passion for the open road in a BT Cruiser.

"The Sports Car of Motor Homes" can take you anywhere, from the sidelines of the high school soccer field to the bright lights of the big city; from your favorite campground to a season-long cross-country odyssey.

At every stop, over every mile, you'll enjoy the luxury and comfort that made BT Cruiser famous.

BT Cruiser - Long famous for the innovative use of interior space, like the 5245, shown here.

Undermount stainless steel sink, single-lever high-arc faucet, and optional solid-surface counters

BT Cruiser life means great meals in a gourmet kitchen.

Enjoy the latest designer-approved styles, stainless steel appliances, handcrafted cabinets, a family-sized refrigerator-freezer, plenty of counter space and storage, advanced LED lighting and GFI outlets just where you need them.

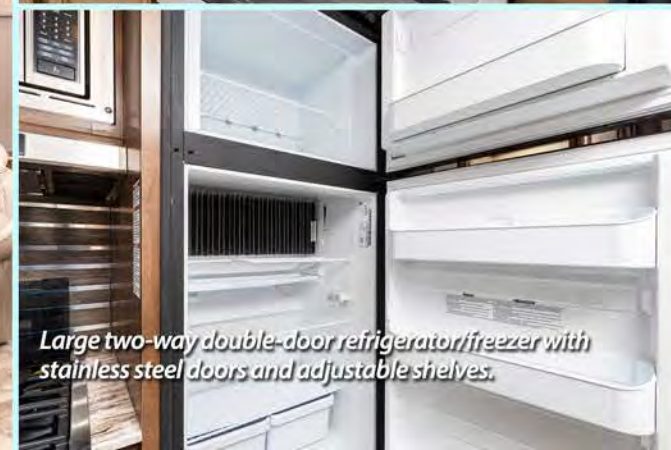

The 5245 gives you everything you need to enjoy good food, whether it's a gourmet meal or a quick, easy snack.

Stainless steel gas oven and range with glass cover, designer backsplash, power vent hood, microwave oven, and stainless sink with high-arc faucet; shown here in the 5230.

Gourmet gas oven and range with blue LED backlit controls, designer backsplash, and tinted glass cover.

Large two-way double-door refrigerator/freezer with stainless steel doors and adjustable shelves.

Sink into carefully tailored, luxuriously appointed furnishings, enjoy views framed by picture windows, and indulge in the convenience of built-in cupholders and end tables, shown here in the 5230.

Innovative storage solutions, including this floor-to-ceiling mirrored wardrobe in the 5245.

BTou CRUIS

comfort, and style you expect

No matter what model you choose, you can count on BT Cruise "innovation" that has made Gulf Stream Coach an award-winning

Mirrored hardwood closet and pantry; double-door stainless steel refrigerator/freezer.

Spacious Queen Bed with custom quilt and pillow shams, individual two-way LED reading lights, overhead storage, and picture windows with pleated privacy shades, shown here in the 5245.

5255 with "Midnight Blue" optional full paint exterior.

Handcrafted hardwood overhead kitchen storage cabinet

Convertible dinette with seatbelts at all four seating positions, overhead storage, two-way LED reading lights, picture window with pleated privacy shade.

BRING ER delivers the luxury, ct from Gulf Stream Coach.

er to live up to the thirty-five year history of "quality, value, and
ing leader in motor home construction and technology.

The view of the kitchen and living space in the remarkably spacious and liveable 5230.

Large under-seat storage drawers in dinette.

Mirrored closet and drawers near entry door; also note window with pleated privacy shade in door.

Build Quality

The BT Cruiser Roof

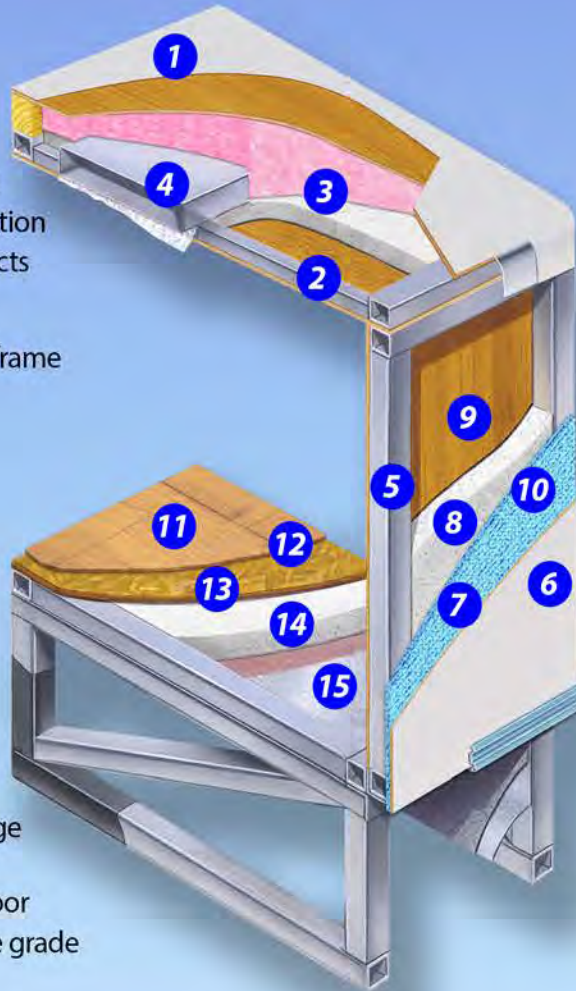

- 1 Seamless laminated fiberglass roof
- 2 Welded aluminum roof frame and trusses
- 3 Rigid polyfoam and spun fiberglass insulation
- 4 Foil-backed, insulated air conditioning ducts

The BT Cruiser Walls

- 5 Welded square-tube aluminum skeleton frame for resilience, rigidity, and light weight
- 6 Gleaming Gelcoat fiberglass exterior
- 7 Structural Azdel synthetic substrate
- 8 Rigid polyfoam insulation
- 9 Structural wood panel with easy-care vinyl surface
- 10 Robotically applied high-performance adhesives to bond all wall layers with heat and vacuum pressure

The BT Cruiser Floor

- 11 Easy-clean vinyl flooring that covers the entire interior, including closets, storage and utility areas.
- 12 Edge-to-edge glue to bond vinyl to subfloor
- 13 Large-scale seamless (8' x 25' span) marine grade manufactured wood subfloor
- 14 Rigid polyfoam insulation
- 15 Full-length galvanized steel belly pan; part of our patented **Cradle of Strength**®

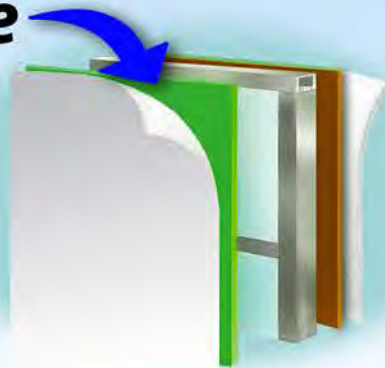

The AZDEL Advantage

Azdel is a synthetic fiber-based wall panel we use as the key structural barrier between the extremes of the outside environment and the interior living space.

Azdel can't absorb moisture, so it won't delaminate, rot or mildew like wood.

Azdel weighs half as much as the wood it replaces, yet it insulates against temperature and noise better than wood.

CRADLE OF STRENGTH

The Cradle of Strength is our unique and exclusive system of steel enhancements, reinforcements, braces, welds, stringers, and galvanized sheets of steel added to the chassis of every BT Cruiser we build.

We put the strength and durability of steel right where it belongs, to make your Conquest Class C more maneuverable, easier to handle, stronger, and safer for you and your family.

A Gulf Stream Coach Exclusive

Felt-lined galvanized steel exterior storage areas

Exclusive box-style square steel trusses

External battery compartment with easy-access door

Fore and aft stringers for additional stiffness

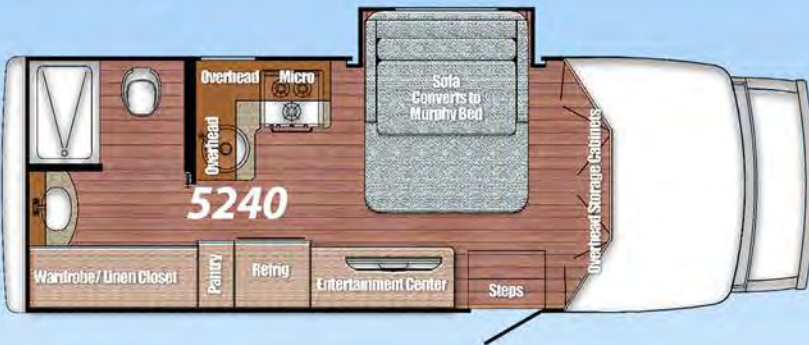

Extra welds across the frame

Huck-bolted hitch with 86,000 lbs. of sheer strength
