

# PLATEAU XLMB

MERCEDES-BENZ SPRINTER Widebody

The Plateau XLMB widebody features a unique mid-coach walk-around Murphy bed that conveniently folds up into the wall when not in use. With the bed up, the Ultraleather® covered sofa-daybed provides for a luxurious and comfortable lounge and dining area.

One key feature of the XLMB is the bathroom, which is located across the complete rear of the coach. The full separate Corian® lined shower, dressing area, vanity and commode might be expected in a luxurious apartment but is a very pleasant surprise when found in a 22 foot motorhome.
