Outdoor entertaining is a breeze with the National Traveler. The flip-down table with inside/outside TV positioning helps take the party outside. ▶

Dual facing lounges in the rear of the coach with table create dining for four. When it's time for bed, the combination fold-down lounges and side jump seats fold to create a large master bed—with sleeping room up to 73-inches by 73-inches. ▼

▲ The National Traveler is the first raised roof ProMaster in its class with 7-feet, 4-inches of interior headroom and a full 7-feet of headroom in the shower of the Explore SPT floorplan. ▼
