## DESCRIPTION

### SS210 CL

Due to the popularity of the SS230 CL, we added the Lowe Super Sport 21 Conversion Lounge to a smaller cruiser package that still offers some of the best performance and total comfort for you and your whole crew. Get ready to enjoy the water in comfort.

The 2020 SS21 CL features a contemporary floor plan highlighting the swing back conversion lounge. You can sit upright and face forward or ease back into ultra-comfort where you can catch the water-sports action going on behind the boat or simply submerge yourself into complete relaxation.

Don't let the smaller size of the SS21 CL fool you, great things come in small packages. This Lowe Pontoon is big on fun, big on comfort, and big on value!
