# MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it "bang for the buck," "more for your money," or simply "more value." We've built a reputation for bringing RV owners more standard features for less money for more than 25 years . . . and it's a reputation we plan to keep.

### 100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Every unit undergoes a thorough 253-point check to ensure accurate measurements, fully-functional electronics and components.

### THE INDUSTRY'S BEST RV WARRANTY

With this industry-best warranty, we take the guessing game out of what is and isn't covered. So, that means you don't have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

### THE LEADER IN PARTS AND SERVICE

Replacement parts. Routine checkups. Expert advice. You name it and we've got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road - and stay there longer than ever before.

\*Length is defined as the distance from the centerline of hitch pin/coupler to rear bumper of trailer. \*\*Our weights represent how most units are built, inclusive of many commonly-ordered options. \*\*\*Fresh water capacity includes water heater capacity.

Travel Trailers

# The First Name In Camping

No matter where or why your travel, there's always something to be found so why not get the most out of every camping experience. Coleman branded floorplans are loaded with added value and innovative features yet light on weight.

- **80" Ceiling Height** - escape in a Coleman Light travel trailer when your day of exploration is over. Fellow travelers, short and tall, will appreciate the spacious atmosphere the Light brings to an already-expansive outdoors.
- **Fully Enclosed Underbelly** - all of your RVs vital functions are kept out of the elements. Plus, this extra layer of protection means you can travel further into the year.
- **Solid Entry Steps** - stability you need when coming and going from your Coleman Light. Easy to expand and store away, these aluminum steps deliver a sound platform.
