2020 ZEPHYR

# BEYOND EXTRAORDINARY

For those who seek the ultimate in RV luxury, look no further than the pinnacle of Tiffin's line-up — the magnificent 2020 Zephyr®. Designed to impress, this 45' solid-structured coach is Class A craftsmanship at its finest, perfected by Tiffin's experience in over four decades of building luxurious motorhomes.

Sitting on a PowerGlide® Chassis, everything about the Zephyr is beautiful to the eye and premium to the touch.

## Main Living Area

The Zephyr's luxurious interior creates the perfect atmosphere for relaxed travel. The living areas redefine spaciousness, with 7' ceilings, four slide-outs, and 45' floor plan. Incredible attention to detail is on display everywhere, from the designer fabrics and plush furniture, to the handcrafted cabinetry and polished porcelain tile floor.

Top to bottom: Passenger Side Sofa Bed;  
Pilot Seat; Drive Side Theater Seats.

The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach's battery life.

## Master Suite

Enjoy total privacy in your grand master suite. Every comfort has been considered, with a king-sized memory foam mattress, vanity with built-in drawers, laundry center with stacked washer and dryer, and a walk-in wardrobe closet. For your convenience, the coach is equipped with two lavatories, allowing you to reserve the en suite bathroom for your private use.

Tiffin-crafted solid wood cabinets, drawers, and closets add more storage than many larger-sized models.

Clockwise from top: Bathroom Sink; Stacked Washer/Dryer; Safe.

## Kitchen

Outfitted with top-of-the-line appliances, this designer kitchen is ideal for a chef-on-the-go. Countertop space is generous, with an Expand-an-island to add more room for food prep. With an in-cabinet Keurig® coffee center with K-Cup storage or the optional built-in Wolf® coffee system, you'll have fuel for all of your adventures.

Reflecting over four decades of innovation, Tiffin's exclusive, custom-built PowerGlide Chassis demonstrates our ongoing commitment to delivering a motorhome experience that's precisely engineered for durability, reliability, performance, and control wherever your journey takes you.

#### MULTIPLEX WIRING WITH DIAGNOSTICS

The PowerGlide's multiplexed electrical system, with auto-reset fuses and relays, uses less wiring and increases reliability, efficiency, and flexibility.

#### DYNAMOMETER TESTING

Our dynamometer testing simulates full power road testing, enabling us to better assess engine performance, cooling system function, and instrumentation.

#### POWERGLIDE CHASSIS WARRANTY

The PowerGlide carries a Tiffin-backed limited warranty for three years or 50,000 miles against defects in materials and workmanship.

#### HUCK-BOLTED CONSTRUCTION

Huck Bolts are precision engineered two-piece fasteners. Huck Bolts are vibration resistant and provide direct metal to metal contact when installed.

Floor Plan

The design of the Zephyr floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown.

All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change out notice or obligation.

For a complete and up-to-date list of available options and specifications, visit [tiffinmotorhomes.com](http://tiffinmotorhomes.com).
