REFINE YOUR CAMPING EXPERIENCE

The AVIA (ah-vee-üh) is beautifully designed inside and out: a unique fusion of Ohio Amish craftsmanship and cutting-edge technology. The result? An experience that is second to none, with all the quality and performance you have come to expect from nuCamp.

As you enter the coach, you are surrounded by an elegant European influenced interior – from its modern, residential-style cabinetry to plush fabrics to high-end components. In addition, the AVIA provides panoramic views to create an experience that is unsurpassed.

The graceful exterior features aluminum frame technology and Azdel® sidewalls crafted together with a smooth Lamilux4000 finish. AVIA's unique lines deliver a style that combines form and function.

Step into the AVIA and take your camping experience to a whole new level of refinement.

AVIA

At the heart of every nuCamp product is superior craftsmanship. Our comfortable interiors and quality construction make your camping experiences a pleasure. We call that the nuCamp difference.
