OFF-ROAD HYBRID CARAVAN

T O U G H

PACKS DOWN FOR COMPACT LOW PROFILE TOWING

Sundstrom Family
Medano Pass, CO

OFF-ROAD READY

- Independent trailing arm coil suspension with dual shock absorbers
- Lock'n'Roll articulating hitch with 360* rotation for flexible towing
- 2 all-terrain tires, 2 spares, alloy wheels & spare (265/75r/16 mud tires)
- Fully galvanized & welded chassis & drawbar
- Stone guard & underbody anti-chip protection with diamond plating
- 4x drop down heavy duty stabilizer legs & fulton tongue jack wheel

REENGINEERED SUSPENSION FOR INCREASED DURABILITY

The OP15 off-road suspension just got even tougher! OPUS increased the size of the gas Struts and positioned these vertically (instead of diagonally) to remove the wear on your Gas Struts interior gaskets. OPUS has also increased the size of the springs to allow for even heavier duty off-road towing.
