HOLIDAY RAMBLER

#thisisliving

Holiday Rambler and Freightliner Custom Chassis have teamed up to bring you the ultimate in luxury, power and performance. Introducing the newly re-engineered Titan Bridge foundation.

Titan Bridge foundation combines the unrivaled strength and storage capacity of Holiday Rambler's exclusive modular design with the high-performance innovation of a Freightliner chassis—all backed by the nation's largest service support network. The new Titan Bridge brings performance and peace of mind together, perfectly.

Titan Bridge XCM is the foundation for the Holiday Rambler Endeavor.

Rated up to 24,000 lbs., V-Ride allows for more luxury amenities, additional cargo capacity and superior roll stability.

Increased Storage: Oversized pass-through storage re-engineered with slide rails integrated into the floor, creating more storage space and easier access.

OptiView is the RV industry's first LED instrument cluster, featuring bright, clear graphics, colors and menus. Bluetooth® connectivity and on-demand operation add convenience and control.

DriveTech's ergonomically-designed steering wheel and easy-to-reach, column-mounted controls turn piloting your RV into a driver-friendly automotive experience.

Wedge Tank Design: Wedge-shaped holding tanks ensure thorough drainage of black and grey water.

Huckbolts: Aerospace-grade, vibration-resistant fasteners for unrivaled strength and reliability.

ADDITIONAL FEATURES

A Premium SACHS® Shocks increase comfort, safety and dependability. **B I-Beam Construction** achieves a torsion rating that is 30% higher than the competition. **C Dual-Side Fuel Fills** provide high-flow access to the 100-gallon fuel tank from either side of the RV. **D Impressive Towing Capacity** with integrated receiver hitch ratings of 10,000 lbs. and 15,000 lbs., offering a wide range of towing capabilities.* **E Central Protective Raceway** houses air, hydraulic and electrical lines while providing easy access. **F Michelin® Tires w/Polished Aluminum Wheels** give you on-the-road performance and let you arrive in style.

*Please refer to manufacturer supplied weights to determine towing capacity per unit.

Maximized Flooring Strength: Double-thick flooring effectively deadens exterior noise and increases durability.

A STRONGER, LIGHTER FRAME FOR SUPERIOR STRENGTH, CAPACITY AND PERFORMANCE.

RV OWNERCARE

Limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge.

Chassis Warranty provided by Freightliner Custom Chassis Corporation.

NAVIGATOR 38W

Shown in Waterford Decor with Whispering Wind Cabinetry

Elevate your exploration.

Whether you prefer camping or “glamping,” the 2021 Holiday Rambler Endeavor lets you explore in style—and in comfort. An Aqua-Hot® 400D keeps your morning showers nice and toasty, the 15,000-BTU roof air conditioner helps you chill out after a long day outdoors, and a crackling fireplace provides the perfect spot to wind down every evening. Our designers didn't forget the bells and whistles, either. Inside and out, the Endeavor is loaded with the latest technology, including an exterior entertainment center with a JBL® soundbar, a KING® universal satellite system, and an exterior electric awning includes lighting and wind sensor retraction. In the Endeavor, you'll turn heads with every turn. [Floorplans available 38F | 38K | 38N | 38W.](#)

Transmission: Allison® 2,500 MH 6-Speed w/Electronic Shifter
Torque: 800 lb.-ft. @ 1,800 RPM
Horsepower: 360HP

DISCLAIMER

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity*.
 2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Holiday Rambler and chassis manufacturer's manuals for complete information.
 4. Length measured from front bumper to rear bumper (excludes accessories).
 5. Excludes safety equipment and awnings.
 6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- * The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
- * UVW and OCCC are found on the label containing the federal certification tag in each RV.
- ** The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.
- ***All 2021 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

YOUR LOCAL DEALER

About REV Group, Inc.

REV Group® (REVG) is a leading designer, manufacturer, and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial, and Recreation. We provide customized vehicle solutions for applications, including essential needs for public services (ambulances, fire apparatus, school buses, and transit buses), commercial infrastructure (terminal trucks and industrial sweepers) and consumer leisure (recreational vehicles). Our diverse portfolio is made up of well-established principal vehicle brands, including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.holidayrambler.com or contact your local Holiday Rambler dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Holiday Rambler has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
