SL SERIES TRAVEL TRAILERS | GT SERIES TRAVEL TRAILERS

THE SWISS ARMY KNIFE OF RVS

Passport delivers ultra-lightweight RV camping loaded with multi-functional features and best-in-class storage. Sleek, all-new interior design, an automotive-grade painted front cap and aluminum wheels amp up your style factor.

For more information, please visit keystonerv.com/Passport

KEYSTONE EXCLUSIVE INNOVATIONS

Year after year, Keystone RV's experienced team delivers "Built For The Long Haul" quality you expect and exclusive innovations you won't find anywhere else.

3-YEAR LIMITED STRUCTURAL WARRANTY, 1-YEAR LIMITED BASE WARRANTY

Every new Keystone RV comes with the industry's best three-year limited structural warranty AND a one-year limited base warranty. Ask your dealer, visit keystonerv.com, or call Keystone Owner Relations for details.

KeyTV™

No more connection guesswork or poor reception. KeyTV offers a game-changing, single point of control of over-the-air, cable, and satellite feeds.

Tuf-Lok Thermoplastic Duct Joiners

Tuf-lok thermoplastic duct joiners form a permanent, crush-resistant seal in your air-conditioning duct.

Color-Coded Unified Wiring Standard

Easy-to-trace circuits simplify electrical and entertainment system troubleshooting.

In-floor Heating Ducts

Distributes heat evenly through your coach for superior comfort.

HyperDeck™ High-Performance, Water-Resistant RV Floor

The HyperDeck RV floor is more resilient, stronger and lighter than traditional laminated wood construction – and it resists water and water damages.

Tru-fit™ Slide Construction

A more durable slide room design that minimizes functional motor and structural stress and resists leaking.

www.keystonerv.com/Passport

LIGHT & LIVELY

Everything about Passport has been transformed inside and out. With careful planning and material selection, the Passport design team has added residential upgrades including custom cabinetry specific to each floorplan, wood-panel doors, pressed countertops and high arc kitchen faucets, all while keeping these units at an oh-so-towable weight and giving you best-in-class storage.

A STUDY IN CONTRASTS

Light flooring, countertops, and wall coverings are a modern complement to the clean lines of Passport's arctic teak wood cabinetry.

SHOW-STOPPING TOUCHES

Passport's NEW interior features a modern and sleek look highlighted by the arctic teak cabinetry and each floorplan is now carpet free.

blade

HIGH-PERFORMANCE AIR FLOW SYSTEM

BLADE™ HIGH PERFORMANCE AIR HANDLING SYSTEMS

Engineered to maximize the output from today's high-performance RV air conditioners, Keystone's NEW patented air handling system delivers an average of 20% more cooling power and is built to withstand the rigors of the road. The Blade™ system is designed to accelerate air flow, eliminate leakage and failure points, deliver 360° circulation in the cabin, and withstand environmental and road stressors that lead to reduced performance.

ZAMP SOLAR PREP

Passport units now feature quality ZAMP solar prep with outlets for solar panels on the roof and on side of the coach. Optional Solar Package (170 solar panel, 30 AMP 5-stage charge controller with omni-mounting feet).

OTG SOLAR

MODERN AMENITIES

From USB ports to convertible furniture, Passport brings more function and convenience to camping.

9

1. GLASS-TOP RANGE AND OVEN

Cook in style with a Furrion glass-top range and oven. Glass cover folds to become a backsplash when in use.

2. BUILT-IN USB PORTS

Keep devices charged for the next adventure with multiple USB charging ports featured in every Passport floorplan.

3. PIVOT™ MULTI-FUNCTION SLIDE ROOM FURNITURE

Levered dinette seatback shifts to create an expansive I-shaped sofa, now large enough for lounging or to seat the entire family. Includes storage beneath seats.

4. RESIDENTIAL-SIZE QUEEN BED

All Passports feature a 60" x 80" bed that uses standard queen size bedding (N/A 176BH).

5. NEW & IMPROVED MURPHY BED

The new 60" x 80" mattress lifts and folds easily into a sofa for extra daytime seating and has three huge storage drawers underneath for extra linen storage.

6. TERMINATION VALVE SERVICE LIGHT

Standard on all models, this light allows adjustments to be made with two hands, no flashlight required.

7. INDUSTRY LEADING STORAGE

Passport gives you more storage than any other travel trailer in the industry.

8. ELECTRIC STABILIZER JACKS

All units now standard with electric stabilizers.

9. DEEP-SEATED STAINLESS STEEL SINK

Includes cover and residential pull-down faucet

BUILT FOR THE LONG HAUL

1 EASIER SHOPPING.

At Keystone, we make choosing an RV as easy as finding the Big Dipper on a dark summer night. With comprehensive online product information, Key Connect™ product advisors, and an unparalleled dealer network, we will help you select the perfect RV for your family's adventure.

2 INNOVATIVE THINKING.

The road's a nicer place when you have the industry's smartest features behind you. Keystone leads the pack in patented innovations that make our RVs safer, more comfortable, and easier to operate.

3 LONG HAUL QUALITY.

To keep you on the road, there are certain things we just won't build a Keystone RV without. Game-changing features like our Unified Wiring Standard, Tru-Fit™ five-point slide construction, and no-fail Tuf-Lok™ A/C duct joiners combined with exhaustive testing and inspections are some of the reasons why Keystone is able to offer our owners the industry's best 3-year limited structural warranty.

4 WORRY-FREE CUSTOMER SERVICE.

Wherever the road takes you, you're never too far from an authorized Keystone service center. We also offer live service assistance, ultra-fast parts shipping, online maintenance tips and tricks, and a single-point warranty claims policy. *That's* peace of mind.

5 KEYSTONE NATION.

When you choose Keystone, you become a part of one of the largest camping families in the country. We're Keystone Nation. A friendly community where people share photos, travel tips and amazing stories — all in the spirit of camaraderie and adventure. Come join us.
