ALL CONDITIONS/FOUR SEASONS

Cozy camping in the Nash 25C 4-Season Trailer. When it was time for an upgrade for the Allan family of Calgary, they didn't hesitate to upgrade to Northwood's biggest bunkhouse trailer, the Nash 29S. Submitted by: The Allan Family

QUALITY CONSTRUCTION CAN BE A LIFE SAVER!

This picture was sent in to Northwood by a repeat customer who lived in her 17K near Portland, OR. Due to excessive snow load, this tree uprooted and landed on her trailer while she was asleep inside!!! Fortunately, we build Nash Trailers with 16" on center, select quality studs and quality plywood (instead of OSB board and 24" OC framing). If this had been a lesser quality trailer, it could have turned out much worse!!! Fonda said she was so impressed with Northwood quality that she just bought a brand new 2019 Arctic Fox 22G."
