# THE STEALTH NOMAD TOY HAULER

From the jobsite to the campsite, the Nomad works as hard as it plays.

The Stealth Nomad provides active families with the essential comforts of camping at a fraction of the price of today's luxury toy hauler RVs.

And the Nomad has the added benefit of serving working families as a tough crossover toy hauler that can handle dirt bikes, side-by-sides, cars or jeeps on the weekend, and construction equipment and materials on the job site throughout the week.

## STEALTH NOMAD OPTIONS RVs JUST DON'T PROVIDE

- Your choice of heavy duty steel or aluminum frames—Fully welded 6-sided cage construction.

- Wider than most RVs the 8.5 wide Nomad is ready to handle side-by-sides as well as full size-cars and jeeps with a ramp-door opening of 80" high by 94" wide.
- Queen-sized Happijac to sleep an additional two adults.

- Electric awnings with LED accent lights available on all models.

### THREE YEAR LIMITED STRUCTURAL WARRANTY INITIAL RETAIL PURCHASER

Stealth Trailers warrants to the original owner that your trailer will be free from structural defects in materials and workmanship for period of 1 or 3 years from retail purchase providing all conditions have been met. The warranty obligation consists of and is limited to repairing and replacing any part, or parts, which in the opinion of the factory are defective under normal use during the 1 or 3 year period, starting at the date of retail purchase. See your Stealth Trailers dealer for more details.

### STEALTH NOTICE

Due to constant product improvements, and changes in specifications, component parts and standard/optional equipment, all Stealth Trailers products are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Stealth Trailers reserves the right to make changes in pricing and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard models with basic features and do not include optional features or equipment. Various components and features may differ to conform to local codes. The individual manufacturers not Stealth Trailers warrant appliances and other components.
