# Supreme Aire

LUXURY MOTORCOACH

**NEWMAR**<sup>SM</sup>

JBL

## Enjoy an Upgrade

When we launched our Super C models, we didn't come into the segment lightly. The Supreme Aire immediately shot to the top, with luxurious appointments and innovations that you simply couldn't find on other Super C coaches. In 2022, the Supreme Aire is even better, with improvements made throughout the coach. There's one sure way to upgrade your stay wherever you are, and the Supreme Aire is it.

## Enjoy Your Stay

Give your travels an immediate upgrade with the 2022 Supreme Aire. No matter where you're traveling—from the mountains to the beaches to anywhere in between—the Supreme Aire offers you the ultimate in luxury in a Super Class C format. It's available in five floor plans, including a 45-foot model with bunk beds that's new for 2022. Every Supreme Aire comes on a Freightliner® M-2 112 chassis and is powered by a hefty 505 HP Detroit Diesel engine, which also offers 1850 lb./ft. of torque.

Avalon full-paint Masterpiece Finish™

## Quaint but Impressive

You'll find stylish appointments throughout the living space of the Supreme Aire. Several furniture options are available, from a jackknife sofa and dinette to theater seating, two ottomans, and more. A retractable Samsung® 4K LED TV and a Bluetooth® compatible Bose® soundbar with a subwoofer give you plenty of entertainment. And to make sure you stay comfortable no matter where you roam, you can add a set of three Penguin™ heat pump air conditioners. The skylight above the cockpit lets warm light flood the entire living space—and there's a power shade for when you need a little less of it.

*Floor plan 4573 with Avalon décor and Toffee Glazed Maple high-gloss cabinetry*

## The Lap of Luxury

Half of the fun of traveling is getting there, and it's even better in the 2022 Supreme Aire. It offers the industry's only full air-ride cab, and both captain's chairs are bigger and plusher this year—plus there's a stylish new steering wheel. There's also a new 9" Xite dash monitor system that features a Nav-N-Go navigation system. Nav-N-Go uses the coach's dimensions to plan the best route to navigate. There's also a custom-tuned JBL audio system to deliver crystal clear sound while you're driving. For extra safety, a tri-view rearview camera system lets you see clearly, and you'll also find a standard in-coach Wi-Fi solution to help you stay connected.

## Better than Room Service

Enjoy high class cooking in the galley. Standard appliances include a recessed two-burner induction cooktop—with a cover for additional countertop space—a 30" stainless steel convection microwave, and a Whirlpool® refrigerator. You can upgrade to a stainless steel dishwasher in a drawer, as well. There's loads of space in the pantry, and the custom hardwood cabinets feature self-closing drawers and doors with soft-close hinges. Add the optional kitchen window for even more natural light.

## Drift Off

At the center of the Supreme Aire's master suite is a king-size bed, topped with either a plush pillow top mattress or an optional Sleep Number® mattress. The nightstands that flank the bed come with charging ports for your devices, and there are adjustable reading lights positioned at the head of the bed. Across from the foot of the bed is a mounted Samsung® LED TV. Depending on your floor plan, you may have a large dresser with several storage drawers and a wardrobe with sliding doors, or two hanging wardrobes and dresser with additional storage space for clothes, bedding, linens, or whatever you need. Even more, a Splendide® stacked washer and dryer come standard this year.

## Stylish Spa

The bathroom of the Supreme Aire is easy to personalize and make your own. Every bathroom is spacious, and shower options include a 36" radius shower or a 40" x 32" rectangular shower, which includes a fold-down seat. Both are equipped with an Aqua Miser® shower system and tiled walls and hand-laid tile backsplash. On floor plan 4575, a large double vanity accommodates space for two, and features undermount sinks in polished countertops. Some floor plans include a mid-ship half-bathroom as well.

## Get Up and Go

Every Supreme Aire features the industry-exclusive full-paint Masterpiece Finish™, plus a Girard® awning package. Add optional solar panels to take your coach off-the-grid. In the back you'll find pass-through basement storage, an industry-first innovation that Newmar included when we launched our Super C lineup. It means plenty of storage space and easy access to all of your gear. You can add an optional outdoor entertainment center that includes a Samsung® 4K LED TV and soundbar. There are also remote-controlled convex mirrors with defrost, chrome power baggage door locks, and a 12.5 kW Cummins diesel generator. And new for 2022 is an app that allows you to control many of the coach's functions from your mobile device.

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

**Specifications supplied by the chassis manufacturer.**

# The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

## QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

## FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

## CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

## SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

# Our Partners

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

## **BASF**

We create chemistry

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

## **INDUSTRIAL FINISHES**

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

Driven By You

## **FREIGHTLINER CUSTOM CHASSIS**

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

## **RIVERPARK**

At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs, Xite Infotainment systems featuring Nav-N-Go Navigation, Bose soundbars, and JBL and Infinity premium audio. Step into a 2022 Newmar and experience dazzling audio and video performance throughout the coach.

## **SPARTAN MOTORS**

Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.
