Made in the U.S.A. and featuring the patented Durawall® technology.

### CLIMATE SHIELD ULTIMATE WEATHER PROTECTION

Extend your camping season with the Jayco Climate Shield.

It protects against extreme heat and extreme freezing—even in temperatures as high as 100 degrees or as low as zero degrees (Fahrenheit).\*

LIVING ROOM	KITCHEN	BATHROOM	HOLDING TANK	BEDROOM
0°F 70°F	0°F 69°F	0°F 71°F	0°F 60°F	0°F 71°F
100°F 69°F	100°F 70°F	100°F 68°F	100°F 72°F	100°F 71°F

\*Jayco tested RV's in zero degrees F and 100 degrees F weather over an extended period of time in a controlled environment, and all functions of the coach were fully operational. Testing was done in a completely controlled environment; therefore, temperatures during testing may not represent actual temperatures in nature and cannot account for elements such as wind or moisture. In actual use, unit may not perform as well. Supplier of cooling components does not guarantee anything better than 20 degrees difference from ambient temperature. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's limited warranty does not cover damage caused by freezing. To learn more about Climate Shield and testing done by Jayco, visit [www.jayco.com](http://www.jayco.com).

## 2+3 YEAR | YEAR LIMITED STRUCTURAL WARRANTY

## Travel With Confidence

### NO ONE OFFERS A BETTER WARRANTY

At Jayco, we build our RVs to handle every adventure, then back them with our industry-leading 2+3 limited warranty. Our 2-year limited warranty has you covered for 2 camping seasons. That's 730 days. In addition, our 3-year structural limited warranty has you covered for 3 camping seasons or 1,095 days. You won't find a better limited warranty in the business, because the only strings that we attach are those that deliver the ultimate in reliability. That's the Jayco difference. So go explore. For a copy of our 2-year limited + 3-year structural limited warranty with complete terms and conditions, please contact your local Jayco dealer.
