## A NEW WAY TO ENJOY THE OUTDOORS

Built to handle extreme terrain but towable with lightweight vehicles, Pathfinder is a fun, industrial built ultra-lite travel trailer equipped with unique features for today's adventurous camper. With an all-aluminum superstructure, Azdel composite walls, and plywood floors it holds true to Heartland's mission of building quality products. The Pathfinder lineup consists of 2 extremely functional floor plans that are 7' wide, 21' long, and weighing 3,500- 4,000lbs. Our standard fiberglass roof, 15" tires, and single torsion axles are built for the season, and any terrain you want to explore. And the best thing about Pathfinder, is there is no need to plug in! Our standard 1200W inverter with 110W roof mounted solar panel allows you to go where you want, when you want and enjoy the high-end amenities that come standard.

The Azdel and aluminum components of our laminated sidewall v that others are sacrificing by using heavy and less durable mater
