Our Story

30 YEARS OF BUILDING DREAMS

It started with a mission—a mission to be the best. That was 30 years ago, and since then, Crownline has been delivering custom dreams across the world—75,000 and counting.

We build our custom boats right the first time, every time. And because we never cut corners on craftsmanship, Crownline Boats hold the highest resale values in its class.

When you're looking for unmatched quality, safety, and customer satisfaction after the sale, never compromise. Let Crownline build whatever you're dreaming of.

A DESIGN LEADER

Crownline is far and away the new product leader in our peer group, and it's not just because we introduced 10 new boats, each of the last 3 years. We carry over 40 registered designs and 14 different design patents for leadership in new product design.

So, while other manufacturers are asking, "What's that?" We're already asking, "What's next?"

GEN 2

CONTROL AT YOUR FINGERTIPS

The bucket seats on the new GEN2 feature stainless-steel fingertip slide and swivel controls, allowing you to best position yourself for a great day on the water. Each seat is outfitted with luxurious dielectric diamond upholstery and a hard-wearing rear seat shield.

EXCLUSIVE FEATURES

- Eye-catching new design profiles
- State-of-the-art, ergonomically designed deluxe bucket seats for driver and passenger
- Beautiful hand wrapped and stitched dash designs
- Hands-free hinges to maximize storage accessibility
- Performance F.A.S.T. Tab® hull
- Exclusive “Gator Guard” inner hull liner sealant
- Undermount cockpit storage drawer

PEACE OF MIND

When you step aboard your Crownline boat, leave your worries behind. Because we have so much confidence in the quality and craftsmanship of our boat and its components, we're proud to offer one of the most comprehensive warranties in the industry—a lifetime limited structural deck, hull, and transom warranty to the boat's first owner.

Please boat safely! Crownline encourages you to take a Boaters Education Safety Course.

Crownline Boats reserves the right to change, alter, and modify its finished boats, parts, specifications, and prices at any time without notice. Some photographs in this catalog may show optional equipment. The specification measurements are approximations and subject to variance.
