Ventana

Stay Your Way

As one of our most flexible coaches, it's easy to find a 2022 Ventana that fits your lifestyle. The Ventana offers 11 available floor plans on the choice of a Freightliner® or optional Spartan® chassis, and model lengths in 34, 37, 40, and 43 feet. With our industry-first adaptive steering innovation Comfort Drive™ and a full-paint Masterpiece Finish™ both standard, you won't have a problem finding a Ventana to call your own.

Enjoy Your Stay

From the beginning of your trip, the 2022 Ventana has your safety in mind, from Comfort Drive™ to convex exterior mirrors and turn signal indicators. More than that, it's easy to enjoy once you settle in somewhere, with a remote control for many of the RV's functions so you can focus on relaxing, and an integrated Girard® power side awning and Carefree entrance door awning if you're outside.

Colfax full-paint Masterpiece Finish™

Deluxe Amenities

The Ventana's accommodations await you. Enjoy your entertainment options with a retractable Samsung® LED TV and Bose® soundbar. Stay comfortable with Penguin™ heat pump air conditioners—with more assistance from wall-mounted temperature sensors. You'll find several furniture configurations, including theater seating or an office space with desk and chair.

*Floor plan 4334 with Colfax décor
and Bermuda cabinetry*

You're There

In the cockpit, there's a blend of luxurious appointments and thoughtful safety features. The digital instrument panel offers all the data you need to know, and side-view cameras come standard. Optional upgrades include a Nav-N-Go navigation system which uses the coach's dimensions to plan routes, in-coach WiFi, and a universal toll module. The Ventana's captain's chairs have six-way power and lumbar support for while you're driving, and a footrest and workstation for the passenger. A JBL sound system and subwoofer keep you entertained while you're on the road.

Carry Out or Dine In

The well-appointed kitchen of the 2022 Ventana makes it easy to enjoy a meal at home. A refrigerator, matching microwave, and Suburban Elite Series three burner gas cooktop all come standard. You can elevate that standard with a Whirlpool® refrigerator, dishwasher, and flush-mount induction cooktop. The pull-out pantry drawers offer loads of space for kitchen staples and more.

A Good Night's Rest

There are several bedroom plans available in the 2022 Ventana. Inside the master suite, plan to catch your Z's on top of a pillow top queen- or king-size mattress, with the option to upgrade to a Sleep Number® mattress. Two wardrobes and a hardwood dresser provide plenty of storage space. For late night entertainment, there's a 43" TV across from the foot of the bed. Floor plans include bunk beds and rear master options.

Spa Service

The Ventana offers several bathroom options, depending on your floor plan. These include very spacious 50" x 34" showers with a glass door and optional fold down seat, to more modest versions, as well as twin-sink vanities. Other floor plans offer half baths that are ideal for guests and kids. There's also an option for a two-piece stacked washer and dryer.

The Greater Outdoors

Enjoy many of the Ventana's amenities outdoors as well. Several awning packages are available and can be upgraded to offer reprieve from the sun. Add the optional outdoor entertainment package to get an LED TV and soundbar so you don't miss your favorite show. Let the time pass with a hammock package. You can bring all the necessities along with you thanks to a pass-through storage tray, and power baggage door locks keep things safe. Plus there's a keyless entry door with touchpad and doorbell so you know who's coming and going. And it's all powered by an 8.0 kW Cummins Onan® diesel generator.
