

Car-Go Lite Xtreme

Shown with optional accessories

Micro-Lite Trailers Car-Go Lite Xtreme

Consider the Car-Go Lite Xtreme...

- Xtreme comfort for two, with a queen bed platform, standard air conditioning, fridge and microwave. Doors and windows with screens provide awesome ventilation and security.
- Xtreme usefulness, flip and fold bed serves you as an independent bench or work station, then stows neatly on each wall to open up over 8 and a half feet of storage room.
- 100% aluminum construction, including floor, frame, sidewalls and skin. Tough, no rust or rot and crazy light weight.
- Most compact cars will pull the Xtreme comfortably.

COLOR SCHEMES

Colors include black, white, silver, gray, pewter, indigo, hunter, arctic green, red, brandywine, orange, yellow, and sunset. Multiple colors can be chosen to create a custom look.

OPTIONS

A generous list of options will allow you to customize and accessorize your Cargo-Lite Xtreme to fit your specific needs and lifestyle.

MATERIAL / STRUCTURE

The Car-Go Lite Xtreme starts with an aluminum frame and floor making it tough and durable for any climate and ends with sidewalls constructed of vinyl coated luaun decor board that gives it a great look and feel. Not only are the materials durable so you won't have to worry about rust or rotting, but they are also extremely light weight.
