- King Campground WiFi Extender
- Whisper Quiet Air Conditioners in the Living Room and Bedroom

38EL This front bedroom model includes a dresser with hidden storage. Shown with optional washer and dryer.

CHAMPAGNE EXTENDED STAY FIFTH WHEELS

38EL

The 38EL dream kitchen features a 24" freestanding gas range with a glass door, a stainless steel 30" microwave oven, and solid surface countertops. There's plenty of storage and counter space, a Cuisinart wine cellar, plus many more residential features for gourmet cooks. High sheen two-tone cabinetry and a decorative lighting fixture above the island adds a touch of elegance. Champagne extended stay fifth wheels are perfect for all season family camping.

**EXPERIENCE LUXURY LIVING WITH RESIDENTIAL CONVENIENCES**

20 Cu. ft. residential stainless steel electric refrigerator with ice maker and dedicated inverter.

Clean up is quick and easy with stainless steel undermount sinks and this single handle, pull-out faucet with sprayer.

The Cuisinart® Private Reserve® Wine Cellar quietly and efficiently maintains the ideal storage temperature, (between 39° to 68°F), to preserve the quality of your favorite wines. This thermoelectric cooling system is touchpad controlled, has a stainless finish and soft interior lighting.

## OUTDOOR PARTY CENTER

*This party slide is only 20" wide, and tucks nicely into most fifth wheel front storage compartment(s). It packs a whopping punch with a 50" hidden TV on a double lift, a fold-up countertop with hidden storage, a 110V mini refrigerator and a Suburban gas griddle on a steel slide out tray.*

*Champagne fifth wheels are prewired for an optional Furrion rear camera or four camera security system.*

*The standard KING WiMAX router/range extender can be configured to connect to available networks and devices with password access.*

*Truma™ AquaGo Instant Water Heater – A constant, endless supply of hot water, for showering, rinsing, and hand washing. A 12 Gallon Gas/Electric water heater is optional.*

*This heated front storage compartment provides over 100 cu. ft. of storage, and includes an extra vacuum port for outside clean-ups.*

## DECOR

BAHAMA

BISCOTTI

LINEN

*A stainless steel dishwasher is optional on select models.*

*Optional side-by-side washer and dryer.*

**0°**

*Cold room tested to 0°F with standard insulation and heating pads that allow all season camping.*

**EXTENDED STAY APPROVED**

**R-11** SIDEWALLS  
**R-45** FLOORS  
**R-40** CEILING

**INDUSTRY LEADING TIRE PRESSURE MONITORING SYSTEM**

Monitor your tires from the Driver’s seat. Real time tire temperature and pressure readings are transmitted directly to our display. The system alerts you in the event of a tire puncture or other gradual pressure loss, sudden tire temperature increase, or rapid deflation of the tires. Increased awareness brings increased safety, tire life and fuel economy.

\*On-Demand, Tankless Water Heater

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\*Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
