

Meet the Micro Minnie FLX

The new Micro Minnie FLX provides all the comforts of home in camp or for up to five days off the grid, without a generator or external hook-ups.

- » 5 integrated technologies enhance your experience on and off the grid:
 - o Two 190-watt solar panels with 30-amp charge controller and side-mount solar prep
 - o 320-amp-hour lithium-ion battery
 - o 3,000-watt inverter
 - o Efficient Truma systems – AquaGo® water heater, VarioHeat furnace, and Aventa air conditioner – conserve energy and are all operated from a single control panel
 - o High efficiency appliances like the Showermiser system reduce water waste by instantly providing hot water and a 10.3 cu. ft. Dometic® 12-volt refrigerator runs directly off the battery
- » 4 slideout-equipped floorplans sleep up to 5
- » Full galley with microwave convection oven, 3-burner cooktop, refrigerator and stainless-steel sink
- » Complete bath with shower, medicine cabinet and linen closet on select floorplans
- » Expansive living space and storage in a compact, easy-towing camper
