

SPORTSMAN

16' | 18' | 20'

A FAVORITE ON YOUR LOCAL LAKE

Light, nimble, responsive, stable, easy-to-tow: all great descriptions of this boat. The Sportsman has been #1 in its class for years, and for good reason; lighter-gauge aluminum boats do not perform as well as this all-welded Pacific Northwest staple. Designed to keep you on the water longer, the comfort and performance of this boat are second to none.
