FIFTH WHEELS

**2023**  
FLOOR PLAN GUIDE

EastToWestRV.com/Ahara  
A DIVISION OF FOREST RIVER

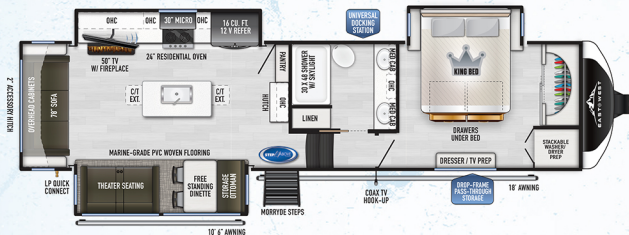

# THE AHARA LUXURY FIFTH WHEEL IS THE NEWEST ADDITION TO THE EAST TO WEST FAMILY.

AHARA is a Sanskrit term used in yoga philosophy to refer to the vehicle, or support, of consciousness and is one of the basic principles upon which health, happiness and harmony rests. The AHARA name perfectly embodies the spirit of this thoughtfully designed luxury fifth wheel.

#### Specification Definitions

**GVW (Gross Vehicle Weight Rating):** is the maximum permissible weight of the vehicle fully loaded & includes all weights, including all of fluids, cargo, optional equipment and accessories. It may differ from actual performance as determined by GVW.

**GVW (Gross Vehicle Weight Rating):** is the maximum permissible weight, including cargo, fluids, optional equipment and accessories. It may differ from actual performance as determined by GVW.

**GVW (Gross Vehicle Weight Rating):** is the maximum permissible weight of the vehicle fully loaded & includes all weights, including all of fluids, cargo, optional equipment and accessories. It may differ from actual performance as determined by GVW.

**CCC (Charge Carrying Capacity):** is the amount of weight available for load and trailer weight, excluding optional equipment and accessories. It is equal to GVW minus GVW Available (GVW) should not exceed the published weight (GVW) per axle. Before filling the fresh water tank, empty the black and grey tanks to prevent from exceeding capacity.

**\*\*Excluded weight from CCC is standard hitch optional equipment.**

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label detailing the standard rated weight of the actual unit and the carrying capacity is applied to every Forest River RV to ensure your location.

The load capacity of your unit is determined by weight and by volume. Do not exceed maximum weight or volume capacity when loading your unit.
