

MEET THE NEW **SUNSTAR NPF**

With exclusive features and advanced energy technology, the spacious new Sunstar® National Park Foundation Limited Edition gives you the freedom to travel comfortably — in a coach sized to fit almost any campsite.

Upgraded Solar Energy System

Standard 320-amp hour lithium-ion battery, charge controller and 3 solar panels provide 3 times the unplugged power.

Enhanced Outdoor Living

The standard armless patio awning overlaps the batwing awning: to provide 2 sides of seamless wraparound protection and 310 sq. ft. of covered exterior living and entertaining space.

Outdoor-Inspired Style

The NPF edition stands out with its special mountain-inspired paint scheme, while its “Town and Country” interior with Salinas oak cabinets and trim provides a special outdoorsy feel reminiscent of our most iconic national parks.

Beautiful Scenery

Frameless, tinted windows offer stunning, unobstructed views from your coach.

Exterior Kitchen

The Tailgate Package is perfect for entertaining or cooking while chilling outside. The exterior galley includes a refrigerator, sink, LP Quick-Connect for a portable stove or grill, and other convenient accessories.
