CHAPARRAL 

EST. 1965

Behind every Chaparral is a story of family, performance, and one-of-a-kind craftsmanship. An award-winning history created from a strong boatbuilding background which incorporates those very special elements that distinguishes and pleases the most demanding of boating enthusiasts. Originally founded in Ft. Lauderdale, Florida, Chaparral Boats relocated to Nashville, Georgia in 1976 and established a brand that achieved international acclaim.

Today, our aspirations to fulfill Chaparral owners' expectations has not changed in 57 years of industry-leading refinement. Each model is hand-crafted with pride by Chaparral's team of boatbuilding experts. Global operations still stem from that same Georgia location where we proudly employ many second and third generation boat builders who are passionate about boating just as you are.

MANUFACTURING 

QUALITY FIRST

Our goal is to make dreams come true by meeting and exceeding expectations while creating a boat that will deliver a lifetime of excitement. Chaparrals are built with a wealth of proven knowledge and skillful craftsmanship to stand the test of time. Experienced professionals combine hand-crafted quality with cutting-edge technology as they exceed with the latest stringent material certifications and component regulations.

Distributed by an elite world-wide dealer network, the best team of men and women boat builders operate in our 1.25 million square-foot facility with a top priority of meticulous attention to detail. Chaparral Boats is the largest, single-site, boat manufacturing plant in the world building each and every model with the finest materials, incomparable functionality, and onboard luxury that will be envied over time and maintain value. A value that can be passed on from generation to generation.

LUXURY 

STANDARD

Boat building is not just a science, it's an art form. Chaparral aims not only to be a leap forward in style and aesthetics, but a new benchmark for luxury. Step on-board and immerse yourself in Chaparral comfort.

The Chaparral brand, synonymous with high-end pleasure cruising, extends deeply into every model. Our boats offer meticulously designed layouts and interior styling infused with beauty, elegance, and unique creativity. A distinctive blend of high-quality comfort, versatile function, and unforgettable style comes standard on every Chaparral.

HI-TECH DNA

Over 5 decades of award-winning history, unique know-how and problem-solving expertise gives Chaparral an undisputed advantage in new-product refinement. Each boat's DNA is inherently rooted in Chaparral's heritage of unmatched hull performance, advanced technology, and luxurious combinations of unique and original details built to last and impress on the water.

In addition to being engineered by some of the best in-house boatbuilding talent, Chaparral's exclusive choice in marine electronics is Simrad®. The ongoing collaboration between Chaparral's R&D and the world's most respected vendor partners allows us to benefit from a continued transfer of knowledge, techniques and the most innovative applications available.

SIMRAD®

INFINITY POWER STEP 

EXCLUSIVE

Turn any body of water into your own infinity swimming pool with the patented, fully electric Infinity Power Step from Chaparral. Standard on select SSX and SURF models.

Explore everything Chaparral including our industry-leading boat builder to create the boat of your dreams and find the nearest authorized dealer today.

Chaparral is constantly seeking ways to improve the specifications, design, and production of its boats. Alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular boat. Your authorized Chaparral dealer can confirm materials, accessories and equipment availability prior to purchase. Chaparral reserves the right to change product specifications at any time without incurring obligations. Some of the features, equipment and materials shown in this catalog may not apply to all models. Optional equipment may be shown. Options, standard equipment and prices are subject to change without notice or implied obligation. See your dealer for details.
