# BUILT BY FISHERMEN FOR FISHERMEN

**THE FISH ARE OUT THERE – NO MATTER THE CONDITIONS. BE THERE TO CATCH THEM.**

For anglers like you, nothing gets in the way of fishing. Not cold, rain, wind, water conditions. You know the tougher the fishing, the greater the reward.

For 75 years, Lund has built rock-solid boats that can endure what nature can dish out.

LUND®

**LEGENDARY  
BOATS  
BUILT FOR THE AGES**

Since Howard Lund built his first boat in 1948, Lund has been creating experiences that define fishing culture. Our boats have made it all possible—the big fish landed, memorable times with family, and epic days on the water.

Through the years, the Lund philosophy has remained the same: build the finest quality boats for maximum fishability in any condition.

“That’s what it’s all about—boats that maintain their integrity for a lifetime of fishing experiences.”

— James Lindner  
Lindner's Angling Edge

# A HISTORY OF EPIC FISHABILITY

From the early days, Lund has prioritized quality. Through more than seven decades of design and manufacturing innovations, the company has stay committed to fulfilling the promise of our founder: build boats that last.

Look around the next time you're on the water, and you're bound to see Lund boats from across the decades.

“Mark my words: you'll be seeing many more Lund boats on the water every year. A Lund boat is a sound investment that holds its value.”

# THE LUND DIFFERENCE

F.I.S.H. stands for the four premium attributes found on all Lund® boats. From the attention to detail of our **Fit and Finish** to the precise performance of the **IPS Hull**, to optimized **Storage** for tackle and gear and maximized **High Resale** value, every Lund packs in the features that have kept anglers and families coming back for more than seven decades.

## F

### FIT AND FINISH

Meticulous craftsmanship from design to production yields high-quality boats.

## I

### IPS HULL

Integrated Power Strake (IPS®) hulls plane fast, run dry and smooth, and maintain superior stability.

## S

### STORAGE

Optimized, protected storage in all available space lets you pack everything you need.

## H

### HIGH RESELL

One of the highest resale values in fishing boats with Lund's Lifetime Limited Warranty.

## FIT AND FINISH

Lund® boats are built with the attention to detail that only experience can impart. For 75 years, they have been built in New York Mills, MN by generations of boat-building families, and the quality can be seen in every boat that leaves the plant. Hand-selected raw materials like marine-grade 5052 aluminum, premium UV-resistant vinyl upholstery and automotive-grade paint finishes provide a lifetime of great looks and durability.

## IPS HULL

Lund's exclusive Integrated Power Strake® hulls plane fast, run dry and smooth, and provide comfort, stability, and unmatched cornering ability. The flat center pad at the stern delivers non-turbulent water to the prop and reduces bow lift. The pronounced center keel keeps your boat tracking true and helps it react instantly. The reverse chines reduce spray and enhance performance in all water conditions.

## STORAGE

Generous storage throughout every Lund maximizes space for your specific on-the-water activity. Organize your day with extended rod storage, massive livewells, weather-resistant gear storage, and our versatile SportTrak™ gunnel system.

## HIGH VALUE

The ultimate proof of quality is the perennially high resale value of Lund boats. Often, used prices are quite close to new—if you can even find a used Lund. This is due to the confidence boaters have in the proven durability of the legendary Lund brand. Many Lund owners never sell their boats—choosing instead to pass them down to future generations.

# CORE FISHING

## LEGENDARY FISHING FOR 75 YEARS

Since the beginning, Lund® has been synonymous with rugged durability and superior fishability. From the agile 14' Fury to the formidable 23' Baron, there's a Lund for Southern sloughs, the Great Lakes and everything between.

# ANGLING FOR THE FUTURE

“As a result of Lund’s support, the Minnesota Student Angler Tournament Trail has impacted thousands of young anglers since forming in 2018.”

– Natalie Peterson, SATT President

## LUND STUDENT ANGLER TOURNAMENT TRAIL

At Lund, we’re working to enable the next generation of anglers to take to the water.

Created in 2018, the Student Angler Tournament Trail (SATT) serves high-school-age students and is now one of the largest independent trails in the nation. Lund sponsors the jersey program and offers select discounts to student anglers and their families to make sure everyone has the ability to ignite their passion.
