IMPORTANT—PLEASE READ: This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed below. Please visit us online at ThorMotorCoach.com or consult with your selling dealership for the latest in standards, options, specification and technical information. Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle’s designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue.
