

# MICRO MINNIE

## FIFTH WHEEL

MORE THAN MEETS THE EYE.

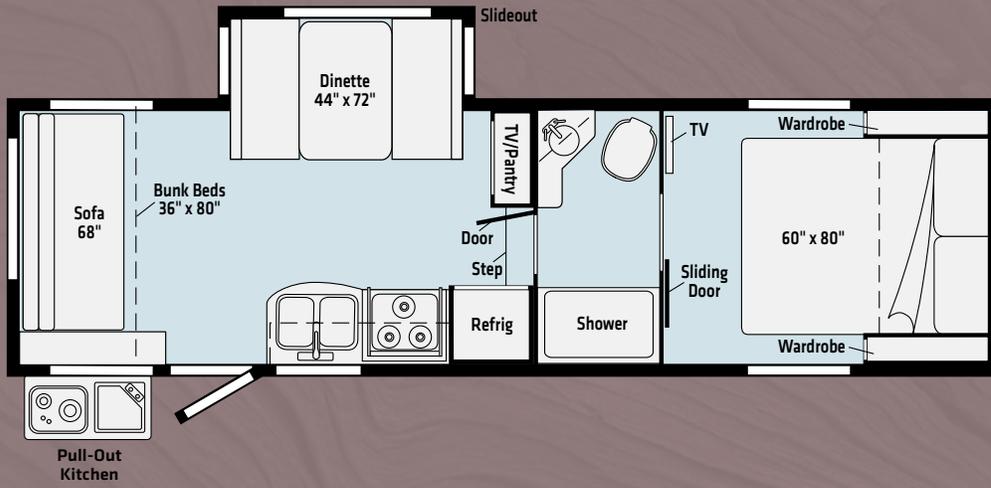

Micro Minnie's width, floorplans and half-ton, vehicle-ready weight are designed to guarantee your boundless journey is always a simple 5th wheel hitch away. Packed with amenities, the size may be small, but the possibilities are endless.

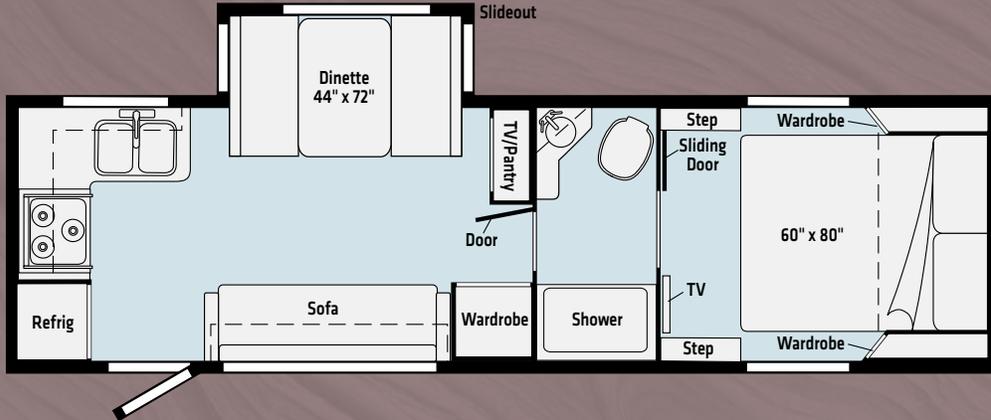

- **Half-Ton Ready** All floorplans are in the 5,000-pound weight class.
- **Cook Without Compromise** The spacious galley - featuring a stainless-steel sink, double door refrigerator, microwave and even a cooktop - will make whipping up the fuel for your next expedition a piece of cake.
- **Naturally Comfortable** Slumber right with Micro Minnie's queen-sized mattress and floorplan specifically designed for a refreshing night's sleep, with windows strategically spaced for cross ventilation.
- **Entertainment On Deck** Take the party outside with patio speakers and a power awning with LED lighting.
- **Towing Made Simple** Tow easy. Turn easy. Park easy. At 7-ft.-wide, traveling with Micro Minnie in your rear-view is always a snap.

**WINNEBAGO**
