INTRODUCING SÖL

POWERED BY THE SUN

All Heartland RVs come standard with SOL – Powered by the Sun. With three solar options to choose from, you can have a solar package that supplements your typical energy use, or go for a higher tier that powers your RV when you camp off-grid.

Product information is as accurate as possible as of the date of publication. Due to Heartland's commitment to continuous product improvement, floor plans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions, some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only. Heartland has listed the approximate base weight of the trailer without the optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight. Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with the motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use, or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle. Overall length for a Fifth Wheels is defined as the body length of the trailer excluding hitch meaning bumper to the cap. The overall length for a Travel Trailer is defined as the body length of the trailer including hitch, meaning bumper to hitch (pin) It does not include the rear ladder of the spare tire. Optional pin boxes will affect overall length. REV 01/23
