

# MEET THE **WINNEBAGO + ADVENTURE WAGON**

## A limited-edition collaboration

---

The ultimate platform for adventure, this unique Sprinter-based van unlocks opportunities for anyone who needs a flexible, re-configurable vehicle, from family camper to gear hauler, weekday work van to weekend home base.

**WINNEBAGO**

### **Limited-Edition Collaboration**

Built by Winnebago using the modular and configurable Adventure Wagon® interior build kit. Two trusted leaders in the adventure van market.

### **Mercedes-Benz Chassis**

The proven and trusted Sprinter platform incorporates advanced Mercedes-Benz® tech and safety features to provide a comfortable driving experience.

### **Built for Adventure**

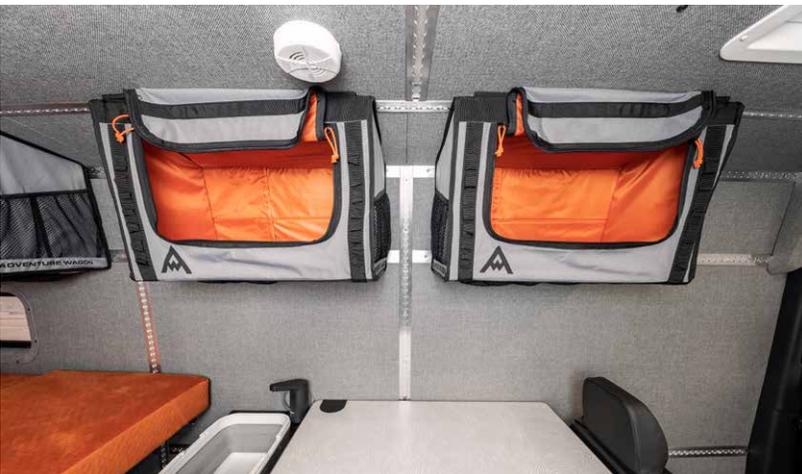

The 3.6kWh EcoFlow® Lithium Generator delivers clean reliable power from a single unit, while the mobile app helps you manage power consumption. The WiFi and Bluetooth® capable system has a variety of outlets to fit all your charging needs.

### **Unparalleled Versatility**

The secondary seat (70SE), cabinets and appliances bolt to the modular L-track system, and can be configured to suit your next adventure, task or job. And the fully adjustable (or removable) MOAB bed has been upgraded with Winnebago's WinnSleep® mattress technology.

### **Functional Features**

Enjoy the comforts of home wherever you travel, with cooking and refrigeration components, potable water system, self-contained toilet, and separate 120vac power supply.
