# 39RKFB

The 39RKFB is designed with your dream kitchen in mind. A cupboard for every pan, a shelf for every dish, and enough counter space to prepare a meal for the entire campground.

In the spacious living room, you'll find the added convenience of a standard desk, giving you the benefit of an office without sacrificing space (optional hide-a-bed sofa in place of desk).

# 42FSKG

The Riverstone Series isn't just about luxury, it's about convenience. Our toy hauler models allow you to take your favorite hobbies on the road.

The cargo area features motion sensor floor lighting and can transport a lifted golf cart, a tricked-out motorcycle, bicycles, gym equipment, hunting gear—or anything else you can think of!

# 442MC

The 442MC is a unique fifth wheel that features a rear “man cave” with a queen bed that lowers from the ceiling! In addition to this innovative layout, the 442MC also provides all the luxury you’ve come to expect from the Riverstone brand—from residential appliances to modern conveniences like a built-in dishwasher and central vacuum system, this unit has it all.

# 45BATH

The 45BATH is a fully equipped, luxury toy hauler that's both fun and functional.

Use the garage to take all your toys on the road—or get creative and transform the toy hauler space into a rolling art/music studio, workshop, homeschool classroom, playroom, tailgating deck, spare bedroom—or anything else you can think of!

## 45BATH LEADING FEATURES:

- Triple 7,000 lb. Axles
- Goodyear H-Rated Tires 17.5"
- Disk Brakes
- Yamaha 5500 NPS Gas Generator
- 60 Gallon Fuel Station
- MorRyde Independent Suspension (Optional)
- Rear Patio Deck
- Drop Down Queen Bed
- Drop Down Lounge Seating
- Glass Bi-Folding Doors Between Cargo and Living Spaces

**PREFERENTIAL SERVICE**      **PRODUCT INFORMATION**

[www.ForestRiverBuyLocal.com](http://www.ForestRiverBuyLocal.com)

**UVW (Unloaded Vehicle Weight)\*** is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. \*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)** is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. Estimated average based on standard build optional equipment. See back page for additional specification definitions.

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
