My Keystone Camper was my first new camper purchase. I love the new layout and the interior size. The roominess allowed myself and 4 other adults to be in it very comfortably. I'm having a great time with my camper and would recommend this model to everyone!

"We were looking for a lightweight, compact RV designed for boondocking and weekend-warrior adventures... for less than the cost of a house! Our 22' Springdale delivered. We love the compact design- no slide-out to add weight- that still feels spacious. The rear dining and sofa are great for hanging out with friends when the weather rolls in. The kitchen is well designed with plenty of counter space. Outdoor features aplenty give glamping vibes! Love this RV."
