CENTURY SERIES

Standard Century Interior

The Standard Century cubicle features a ceramic china pedal flush toilet, solid surface countertops, stainless steel sink vessels, automated touchless towel dispenser, lockable supply storage, easy clean interior, shatterproof mirror, and much more. The mens cubicle (shown left) includes a hands free urinal, while the womens cubicle (shown right) includes a sanitary supply receptacle.

Century Combo Interior

Century models II, III and V are available as combo units that include all of the same great features as the standard Century models with the convenience of a shower stall in every cubicle.

Sterling and Champagne Upgrade Interiors

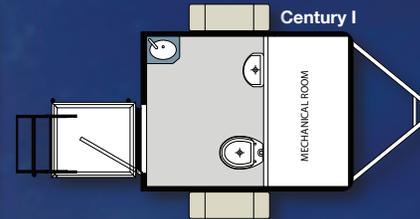

The color interior packages by Forest River provide an economical way to add a little color to our standard interior. The packages are Champagne or Sterling and are available on most units. They include a waterproof laminate countertop with a compression molded sink, colored cabinet fronts and fiberglass walls, faux tile vinyl flooring and white PVC base trim.

CENTURY I

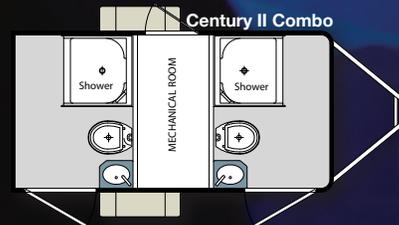

The Century I was designed around smaller events or locations. It features one completely private, climate controlled and self-contained uni-sex restroom. It features a 170 gallon waste tank with an average capacity of 510 flushes. Perfect for a small event.

DENALI

The Denali offers a more free flowing environment with easy entry and exit doors on each side, while still keeping the same easy to clean and sanitize wall, counter, and floor surfaces. The Denali can accommodate up to four women and six men at any time. The 740 gallon waste tank can handle up to 1,950 flushes.

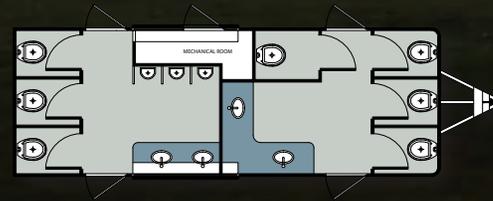

Denali Interiors

[1] Denali's vanity includes two stainless steel sinks, heated sink water, lockable storage, solid surface countertops, shatterproof mirrors and automated touchless towel dispenser. (mens cubicle shown) [2] The Denali's mens cubicle features three (3) hands free urinals that use recycled wash water for flushing. [3] The Denali also includes three (3) ceramic china foot flush toilets in the mens cubicle and four (4) in the womens. Ample privacy is provided utilizing commercial grade bathroom stall materials. [4-6] The Denali Deluxe Interior package features wood trim accent, wainscoting and vanities, black porcelain hands free toilets and urinals, and other upgrades.

The Denali's walk thru floorplan allows for easy and convenient entry and exit, this walk thru floorplan virtually eliminates long wait times.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
