NEW

A HERITAGE OF EXCELLENCE.

Our tradition is excellence. Under the hood, your RV gives you the power to tackle every road, the strength to keep you safe in any condition, and the durability to let you travel worry-free. Inside, it should be wall-to-wall comfort: ample room to move, supreme comfort, and design details that feel like a five-star hotel. The 2022 American Tradition is the embodiment of our tradition of excellence, allowing you to make even the smallest of road trips feel like a full-on luxury vacation.

What makes the American Tradition a premium RV experience?

A little extra oomph on the road, courtesy of a Cummins® ISX Turbocharged engine with 450 horsepower and 1250 lb./ft. torque.

The supplemental BrakeSync braking system makes for smoother stops and slow-downs.

Enjoy stress-free travel with the RoadWatch Safety System, feat. collision mitigation, adaptive cruise, stability and traction controls, plus integrated Mobileye®.

Get ready in a bigger, better bathroom featuring an elegant tile backsplash, shower skylight, and side-by-side sinks

Have a patio party on the road, day or night, with the roof-mounted electric patio awning w/LED lighting and motion sensor retract.

Optional Co-pilot monitor for safety and convenience.

THE HEART OF LUXURY. THE SOUL OF FREEDOM.
