

THE SPECIALIST OF THE ULTRALIGHT TRAILER

LITE UP
YOUR LIFE!

Pro-Lite

A BLISSFU

A person is kayaking on a calm lake at sunset. The sun is low on the horizon, creating a golden glow and reflecting on the water. The background features rolling hills and mountains under a clear sky. The overall mood is peaceful and scenic.

From small families to great explorers, young adventurers to nature lovers, you're sure to find an RV that's just right for you among our wide selection.

FEEL LIKE TRAVELLING LIGHT?

LESCAPE

ProLite

Established in St-Jerome (QC) in 2000, Prolite has been manufacturing high-quality ultralight RVs for over 20 years. Our specialty? Designing durable eco-friendly RVs for your daily travelling needs. Our large family is made up of a highly dedicated and passionate team, a strong network of dealers spread throughout North America, and thousands of travellers and vacationers who have chosen Prolite RVs over the years.

WHY CHOOSE PROLITE?

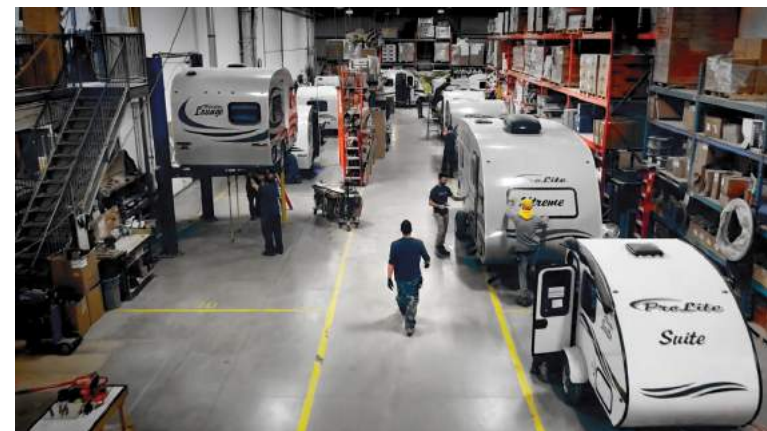

Ultralight. Robust. Reliable. High quality. These four essential features are at the heart of the manufacturing process of every single Prolite trailer.

Ultralight design allowing you to easily tow your trailer using your everyday vehicle.

Aerodynamic profile ensuring better adhesion to the ground, excellent visibility and a pleasant driving experience.

Robust, durable and weatherproof structures for comfortable and worry-free adventures.

Various designs that maximize space while adapting to your needs and lifestyle.
