## Aliner: Classic and LXE

This is the model that started it all. All other Aliner models are variations of this original design. Classic earned its name by satisfying customers for over 39 years. It's not the largest or smallest. It's not the heaviest or lightest. It's what Classic owners like to call "just right." Versatile, adaptable, comfortable with everything you want and nothing you don't. The Classic is just that ...classic.
