

QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

BELONGING

Winnebago owners are a connected community – some of the friendliest, most knowledgeable and welcoming RVers you'll find anywhere.

WINNEBAGO

Award-Winning Ticket to the Good Life.

Meet the Minnie, an easy-towing camper that makes the most of its compact size with well-designed living spaces and a long list of standard features.

A Wide Range of Floorplans

With a slideout to maximize living space, front or rear queen or twin-to-king conversion bed, bunkhouse options that sleep up to 7, front, mid and rear kitchen layouts, there's a Minnie that's just right for you.

Outside Living

When it's time to relax, the Minnie works hard so you don't have to, with power stabilization jacks, powered patio awning with LED lighting, premium JBL® speakers, spray port and outdoor shower, even an outdoor cooktop on some floorplans.

Storage to Spare

The Minnie offers best-in-class heated exterior storage of up to 44 cu. ft., including a large pass-through compartment for larger items, plus well-designed interior storage to keep things organized and uncluttered.

A Long List of Standard Features

Like every Winnebago towable, the Minnie comes with a 200-watt solar panel, prep for an additional panel, enclosed holding tanks with 12-volt pad heaters, and 1.5" thick insulated sidewalls for increased comfort in any weather.

Welcome Home.

A Spacious Retreat

The Minnie's open, inviting living spaces and stylish decor welcome you home from every adventure.

Flexible Furnishings

The dinette and sofa sleeper provide comfortable seating and sleeping for you and your guests. While available options like theater seating or a u-shaped dinette, depending on the floorplan, provide that special touch.

Open Galley

With its convection-microwave oven, 3-burner cooktop, large refrigerator and stainless-steel sink, the Minnie galley makes it easy to prepare your favorite dishes wherever you roam.

Equipped to Entertain

The LED TV, JBL® Aura Cube entertainment center and JBL® premium speakers turn the lounge area into your own personal theater. Standard Wi-Fi prep makes it easy to add the modem/router of your choice, and the wireless charger keeps your cell phone charged and ready to go.

Command at Your Fingertips

The Minnie's intuitive all-in-one control panel locates key system controls in one convenient location.

Warranty
 See your dealer for complete warranty information.

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of our vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design - over 96-inches. In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96-inches in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Sleeping capacity is the maximum based on a specific floorplan.
