

ALINER SWITCHBACK

Escape Simpler. Sleep Anywhere.

Aliner Switchback

Introducing the Aliner Switchback—the ultra-light, minimalist truck camper built for one purpose only: a good night's sleep wherever the road takes you. No kitchen. No bathroom. No fuss. Just a cozy, insulated sleeping pod ready for adventure.

- **Compact & Lightweight** - Fits most standard and mid-sized pickup truck beds
- **Garageable** - Fits through a 7' garage door in the closed position on a standard-size truck
- **Comfort-First Interior** - Simple and efficient, full-size comfortable sleeping area, tinted safety glass windows, and sound-deadening insulation
- **Quick Mounting System** - Secure tie-down points and low-profile design
- **Security** - Lockable door and interior locking latches
- **Handy Exterior Drawer Storage** - Two lockable storage drawers are 17.5" wide, 8" deep, and 60" long
- **Minimal Setup, Maximum Relaxation** - Set up takes less than 30 seconds
- **Construction** - Durable aluminum-frame construction. NO WOOD, NO ROT, NO WORRIES
- **30-amp Converter** - 12 volt and 110-volt interior outlets w/ 25' 30-amp power chord
