

THE NEW TRAVATO

Redesigned for adventure seekers, the Winnebago® Travato® lets you roam freely without leaving home behind. Its sleek new style and improved heating and power ensure a comfortable journey, no matter where the road leads.

NEW - Awning

Gather with friends under the new, durable Bluetooth®-enabled patio awning with mood lighting for evenings. Inside, enjoy versatile lounge spaces with a 360° swivel table, perfect for dining, games, or conversation.

NEW - Truma Combi G Comfort Plus

The new gasoline Truma Combi® G Comfort Plus delivers warm air and hot water from one appliance. For extended season camping, count on dedicated insulation, heated tanks and thermal window covers to block out the light and maintain an ideal interior climate.*

NEW - Winnebago Power Max

Winnebago Power Max is an exclusive, industry-leading power solution for unplugged camping. It comes standard with an 8.4 kWh Lithionics® lithium battery, with the option to add a second for extended off-grid stays. Plus the EcoFlow® 5-in-1 Power Hub Pro, a dual alternator for fast charging, and 245 watts of solar panels delivers reliable energy when shore power isn't available. When it is, the new SmartPlug® connection offers a simpler, safer, and more efficient way to plug in. (59KL)

NEW - WinnSleep System

The innovative WinnSleep® system combines a superior two-layer high density hygienic foam mattress with a European suspension system to increase comfort, relieve pressure and improve air circulation.

NEW - Interiors & Exteriors

Refreshed from the inside out, the new Travato offers sleek new exterior options and modern interiors that offer stylish, comfortable spaces with premium finishes.

NEW - Reimagined Amenities

Enjoy the comfort of your personal sanctuary on the road. The versatile Travato features a flexible galley, full wet bath, and living areas that adapt to your needs.
