What's New for 2026

Single Axle Floorplans:

- **Slam latch baggage doors** offer premium, automotive-style durability.
- **Dedicated waste bin location** for a cleaner design and smarter use of space.
- **Blackout roller shades with aluminum valance** improve privacy and enhance interior aesthetics.

Tandem Axle Floorplans:

- **66" x 80" Olympic queen bed** gives you more room to stretch and sleep easy.
- **Durable Tuff Coat™ exterior metal** enhances durability and provides lasting good looks.
- **Tankless water heater (60,000 BTU)** delivers instant hot water and improved efficiency.
- **Composite 3-step solid entrance steps** are lightweight, rigid, and stable.
- **Removable shelf in bedside wardrobes** adapts to your storage needs for added flexibility.

Core Access Features

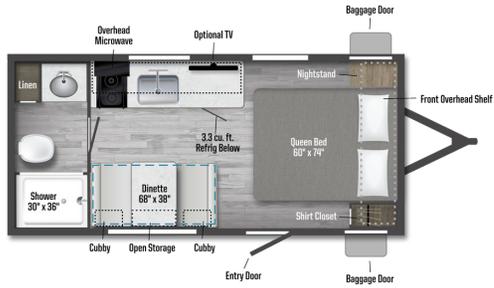

- **Single or tandem axle floorplans** to fit a wide range of tow vehicles.
- **Spacious interior and contemporary styling** with a 6'8" ceiling height and 8' wide body, large windows and skylights for modern outdoor living.
- **Well-equipped galley** with a large stainless-steel sink, two- and three-burner cooktops, 12-volt refrigerator, and standard convection microwave for easy cooking on the go.
- **Flexible sleeping for up to seven adults** with underbed and wardrobe storage, depending on the floorplan.
- **2" Accessory receiver (350 lb. capacity)** perfect for hauling bikes or other gear.
- **Standard roof-mounted A/C** delivers cool comfort built in.
- **Best-in-class holding tanks** (49 gal. Fresh / 40 gal. Gray / 40 gal. Black).

FLOORPLANS

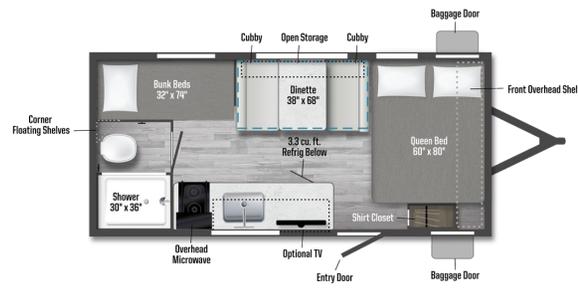

Note: Dotted lines denote overhead storage areas. Blue dashed lines denote sleeping areas. Floorplans are representations only and are subject to change. Please contact your Winnebago Sales DM for more information.
