

ALINER AMP SERIES

Join the EV Revolution with Aliner Amp
READY FOR ADVENTURE

Amp Series

Introducing the Aliner Amp, the ultimate innovation in sustainable outdoor adventuring. Equipped with a powerful 5kWh EcoFlow Lithium battery and a 3,600-watt inverter, this solar-powered trailer lets you experience off-grid living without compromise. Its two 400-watt solar panels, integrated into the dormer roofs, harness the sun's energy to power everything from LED lighting and climate control to an induction range and charging outlets. The iconic Aliner design ensures spaciousness and efficiency, while the EcoFlow system keeps your adventures powered up. Explore remote destinations with the freedom to enjoy modern comforts—all while treading lightly on the planet. With the Aliner Amp, sustainability and adventure go hand-in-hand, making every camping trip unforgettable.
