### Versatile Fifth Wheel and Travel Trailer Toy Haulers

TORQUE by Heartland combines all the best that traditional RVing has to offer with the versatility of a toy hauler. TORQUE offers fifth wheel and travel trailer floor plans, each providing the ultimate in interior spaciousness and cargo possibilities. Elegant furnishings including designer furniture, matching window treatments on huge picture windows, built-in entertainment centers, quality-crafted cabinets and residential solid surface counter tops provide a unique touch you might not expect in a toy hauler. Join the hundreds of Torque owners that have chosen TORQUE for a truly versatile toy hauler with a luxurious residential look and feel of a traditional fifth wheel or travel trailer.

## More Ramp Patios

TORQUE offers rear patio options on all fifth wheel models. Enjoy over 64 square feet of additional space attached to the living area, up off the ground, dry and clean, covered by the awning and large enough to accommodate a bistro table and chairs for all your outdoor entertainment pleasure.

## UNINHIBITED PASS-THRU EXTERIOR STORAGE

Choose TORQUE for superior industry leading engineering which results in larger, cleaner pass-through storage possibilities.

## THERMAL TESTED

Heartland 5th wheel construction has been subjected to rigid testing in the famous DOMETIC Extreme temperature testing chamber. The testing chamber temperature is set to 0° to test the heating system, followed by setting it at 100° to test its cooling ability. With our thick 2" laminated walls, enclosed and heated underbelly and insulated floor - the interior of the Heartland coach remained warm and comfortable through out the sub-freezing testing and nice and cool during the extreme heat test!

# RESIDENTIAL FURNITURE

Light your task, set the mood or just kick back and relax. Enjoy perfect lighting throughout the TORQUE.

**D-RINGS**  
Anchored through the floor decking to the steel frame for maximum strength.

## 30 GALLONS OF FUEL ON THE GO

TORQUE owners Enjoy Safely Transporting Fuel in a Fuel Cell rather than having several 5 gallon fuel cans that take up floor space and can spill if not secured properly. A convenient filling hose and valve handle like you would find at the gas station for filling your toys and the Static Line (Metallic cable and clip that connects the toy and trailer together) that reduces the risk of static electricity sparks that are known to cause explosions!

### Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

### BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

### DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
